

THE EVENING GAZETTE, SAINT JOHN, N. B., WEDNESDAY, JUNE 12, 1889.

THE EVENING GAZETTE

There are few who believed on July 25th, 1888, when the first number of THE EVENING GAZETTE was issued, that in less than eleven months it would secure so many brilliant victories as it has won in that period.

ABOUT THE GAZETTE.

The consequence of overdoing a thing are often quite as disastrous as to leave the thing undone. For example, in the case of the Evening Gazette, these things did not enter into the consideration at all.

THE ELECTION YESTERDAY.

The result of the election yesterday will probably convince Mr. Everett that the people of St. John do not want him as their mayor, and that it would have been better if his friends had refrained from forcing him into the field and deluging him "The Citizen's Candidate."

Dress the Hair

With Ayer's Hair Vigor. Its chemical, medicinal effects on the scalp, and lasting perfume commend it for universal use. It keeps the hair soft and pliant, prevents its color, prevents it from falling, and, if the hair has become weak or thin, promotes a new growth.

Efficacy

"I was afflicted some three years with scalp disease. My hair was falling out and what remained turned gray. I was induced to try Ayer's Hair Vigor, and in a few weeks the disease in my scalp disappeared and my hair began to grow again." (L. J. S. Smith, Pastor U. R. Church, St. Helena, Ind.)
