lent. Every department is well repre-sented, while there are features which

fore the whistle blew.

BOXING MATCHES. Annual Championship Contests Took Place Last Night. The pavilion adjoining the main building at the exhibition was crowded last evening, the occasion being the annual championship boxing contests under the auspices of the British Columbia Amateur Club. Arrangements for the accom-modation of the crowd was most complete, and the programme was carried through with the greatest success. Every bout was well worth watching, and President Bolton made a happy selection The Display of Minerals at Exhibition

Is Magnificent.

Owing to the pressure on space severa
