

WRITES LIKE A LEAD PENCIL.

# THE CENTRIC PEN

An instrument free from every objection which has ever been urged against pens and penholders. The advantages claimed are :

- 1.—It will not cramp the fingers.
- 2.—It writes with the rapidity and ease of a pencil.
- 3.—It may be laid down without risk of blotting.
- 4.—It will not ink the fingers.
- 5.—Its flexibility is superior to that of any other pen.
