

WOMEN WILL TALK.

Can't Blame them for Telling each other about Milburn's Heart and Nerve Pills.

THE GREAT REMEDY FOR WEAK NERVOUS WOMEN.

It's only natural that when a woman finds a remedy which cures her of nervousness and weakness, relieves her pains and aches, puts color in her cheek and vitality in her whole system, she should be anxious to let her suffering sisters know of it.

Mrs. Hannah Holmes, St. James Street, St. John, N.B., relates her experience with this remedy as follows:—"For some years I have been troubled with fluttering of the heart and dizziness, accompanied by a smothering feeling which prevented me from resting. My appetite was poor and I was much run down and debilitated.

"Since I started using Milburn's Heart and Nerve Pills, the smothering feeling has gone, my heart beat is now regular, the fluttering has disappeared, and I have been wonderfully built up through the tonic effect of the pills. I now feel stronger and better than for many years, and cannot say too much in praise of the remedy which restored my long-lost health."

TALKING WITH GOD.

"As far back as I can remember," said a wise and good man, "I had the habit of thanking God for everything I received, and asking him for everything I wanted. If I lost a book, or any of my playthings, I prayed that I might find it. I prayed walking along the streets, in school or out of school, whether playing or studying. I did not do this in obedience to any prescribed rule. It seemed natural. I thought of God as an everywhere present being, full of kindness and love, who would not be offended if children talked to him."

That man was Dr. Charles Hodge. How happy all children would be to cultivate the spirit of talking with God, which he had as a child, and also the habit of thanking God. Too often when our prayers are answered, we forget to give God thanks. The child who talks with God will not be likely to use bad words at any time. His speech and his heart will be sanctified by communing with one who is perfectly pure and loving, so that only words which are good and pleasant will flow from his lips.—Selected.

When we come to Christ he puts us to school, and the Holy Spirit is our Teacher.—K. G. Campbell.

A New Departure.

A New, Effectual and Convenient Cure for Catarrh.

Of catarrh remedies there is no end, but of catarrh cures, there has always been a great scarcity. There are many remedies to relieve, but very few that really cure.

The old practice of "snuffing salt water through the nose would often relieve and

the washes, douches, powders and inhalers in common use are very little, if any, better than the old-fashioned salt water douche.

The use of inhalers and the application of salves, washes and powders to the nose and throat to cure catarrh is no more reasonable than to rub the back to cure kidney disease. Catarrh is just as much a blood disease as kidney trouble or rheumatism and it cannot be cured by local treatment any more than they can be.

To cure catarrh, whether in the head, throat or stomach an internal antiseptic treatment is necessary to drive the catarrhal poison out of the blood and system, and the new catarrh cure is designed on this plan and the remarkable success of Stuart's Catarrh Tablets is because being used internally, it drives out catarrhal infection through action upon stomach, liver and bowels.

Wm. Zimmermann of St. Joseph, relates an experience with catarrh which is of value to millions of catarrh sufferers everywhere. He says: "I neglected a slight nasal catarrh until it gradually extended to my throat and bronchial tubes and finally even my stomach and liver became affected, but as I was able to keep up and do a day's work I let it run along until my hearing began to fail me and then I realized that I must get rid of catarrh or lose my position, as I was clerk and my hearing was absolutely necessary."

"Some of my friends recommended an inhaler, another a catarrh salve but they were no good in my case, nor anything else until I heard of Stuart's Catarrh Tablets, and bought a package at my drug store. They benefited me from the start and in less than four months I was completely cured of catarrh although I had suffered nearly all my life from it.

They are pleasant to take and so much more convenient to use than other catarrh remedies that I feel I cannot say enough in favor of Stuart's Catarrh Tablets."

A little book on cause and cure of catarrh will be mailed free by addressing F. A. Stuart Co., Marshall, Mich., and the tablets are sold by all druggists in the United States and Canada.
