

*Goose River.*—Our church numbers the same as last year, there is still a good feeling among the members.

Our meetings are well attended, and a good spirit manifested. Rev. G. F. Miles is labouring with us one quarter of the time to good acceptance.

*Goshen.*—We have had very little preaching during the past year. We meet occasionally for prayer. Our church has lost its oldest deacon, Benjamin Stevens, who has been called to the better land. We would be glad to have a visit from any minister.

*Great Village.*—Peace and brotherly love continue and abound amongst us. Rev. D. McKeen has laboured with us a small portion of his time, but while we prize his faithful preaching, he can give us so little of his time, his field being large we have engaged the Rev. M. P. Freeman for half his time. May his anticipated labours be greatly blessed of God.

*Greenville.*—We have nothing encouraging to write of the prosperity of Zion. Without a Pastor. Sheep without a shepherd. Have been favoured with occasional preaching by Rev. E. B. Corey and Bro. James Higgins. Our church is poor and scattered, we need assistance from the Board.

*Guysborough.*—During the past winter, Bro. C. J. Graves has laboured with us, and quite a number of young persons professed conversion, 29 were added to the church. We rejoice and give God thanks.

Bro. Martell is now preaching to us under direction of the H. M. Board.

*Indian Harbor.*—Nothing cheering to communicate, our number decreasing, by death, and spiritual declension. Some going out from us proving they were not of us. Rev. H. Eagles labours with us part of his time.

*Isaac's Harbor.*—We feel very much the need of a shepherd to go in and out before us. We have no regular stated preaching. Bro. C. H. Martell was with us a short time last summer and preached to good acceptance. Bro. A. J. Davison is now on the field, sent by the H. M. Board. None have been added. Our number has been lessened by death.

*Little River.*—Our record though not brilliant, shows progress. Under the ministrations of our beloved Pastor, Rev. G. F. Miles, the business affairs of the church as well as its spiritual condition, have greatly improved.

We enjoyed a revival season last winter, God manifested his power, and souls were converted.

*Lower Economy and Five Islands.*—Rev. D. McKeen labours with us one fourth of the time, and his labors are highly appreciated
