

FOR WOMEN

Rich, Red Blood
Necessary To Health

When the Blood Becomes
Weak and Watery a Tonic
Is Needed to Build it Anew.

Why are we being continually told that good, health-giving blood must be bright red? What has color to do with the quality? Just this—the oxygen in the air is the great supporter of all organic life. One function of the blood is to take the oxygen from the air—which it meets in the lungs and deliver it to the tissues of the body. When the blood, filled with life-sustaining oxygen, is sent out by the heart, it is bright red. When it returns, impure and deprived of oxygen it is dark.

You will see, therefore, that there are two prime requisites of health, pure air and bright red blood—the pure air to furnish the oxygen, the rich red blood to carry it where it is needed. Dr. Williams' Pink Pills make your blood rich and red because they increase its power to carry oxygen, actually making it so much more able to carry increased life and strength to every organ in the body.

Pale anemic people whose nerves are on edge, whose cheeks are pale, and who tire out easily, should try Dr. Williams' Pink Pills and note the steady improvement that follows their use. A case in point is that of Mrs. J. P. Rolston, South River, Ont., who says: "About two years ago my system was in a badly run down condition and I kept growing worse all the time until I could hardly do my housework. I had severe headaches, and pains across my back and under my left shoulder. I did not sleep well, and would feel just as tired when I got up in the morning as when I went to bed. Life seemed a burden. I had taken doctor's medicine for a long time, but it did not meet my case, at least it did me no good. Then as a result of reading about Dr. Williams' Pink Pills I decided to try them. When I had taken a couple of boxes I felt much better, and when I had taken five boxes more I felt that I was again a well woman. I have not since felt any return of the troubles and I advise all women who are broken in health to give Dr. Williams' Pink Pills a trial."

These pills are sold by all medicine dealers or will be sent by mail, post paid, at 50 cents a box of six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

Of Course, the Women
Liked It

On special occasions, such as an afternoon tea, the new Red Rose Orange Pekoe Tea had its first introduction to many of the women of Canada.

And at such times its extra qualities could be discussed and enjoyed at leisure.

The women found that its aroma is delicate and delightful, that it has a bright sparkling amber color in the cup, that the flavor is of rare charm and distinction, while its strength is rich and satisfying.

The more-cultivated your taste, the more you will appreciate Red Rose Orange Pekoe Tea.

Ask for it by the full name—Red Rose Orange Pekoe Tea.

BOURSE MUCH DISTURBED.

Paris, Nov. 5.—The election in the United States left Bourse circles anxious and uncertain today. The dollar advanced more than twenty points. Speculators as well as investors were cautious.

A New Order.

"Please," gasped the young wife excitedly, on giving her first order to the butcher, "please send me a pound of steak and some—some gray."

AS A WOMAN THINKETH
"And Never The Two Shall Meet."

By HELEN ROWLAND

(Copyright, 1920, by The Wheeler Syndicate, Inc.)

Why she regards her sex so lightly—and takes herself so seriously. Why she will lead him patiently and skillfully to the brink of love—and then she deliberately around and walk back.

How she can eat a man's-size beat, and yet appear to be merely toying idly with her fork.

How she can swathe her neck in furs and cover her ears with pads in August, and yet look like a cucumber; how she can wade through a January snow-storm in satin slippers and open-work stockings and yet look like a rose.

Why she tells him everything before he has a chance to be curious about it, and then expects him to think her a fascinating "mystery."

Why she will denounce with rouged lips another woman who dyes her hair.

How she can face death, child-birth, disaster or war serenely, bravely and courageously—and then go all to pieces because she has to go to a party with a cold in her head or in frock that doesn't fit.

Why she considers herself "an honest woman," no matter how she cheats at other games, so long as she plays fair in the game of love.

Why she thinks that winning the man she wants is an end that justifies any means.

Why she will forgive him for wrecking her culture and snatching a kiss sooner than for trying to lay all the responsibility on her, by begging for one.

Why she fluffs her hair all around her face—and then spends her life blowing it out of her eyes.

Why she gets angry with him just for diversion—and then forgives him just for the sake of his profile, his eyelashes, or the cleft in his chin.

Why she will tell him the honest truth about her faults, her follies and all her past love-affairs (which he doesn't want to hear), and then lie to him about a little thing like the number of her shoe, the date of her birth, or the price of Paradise feathers!

II.—WHAT WOMEN DON'T UNDERSTAND ABOUT A MAN.

Why he regards his sex so seriously—and takes himself so lightly.

Why he always overlooks an ideal opportunity for a sentimental tete-a-tete, and then later, when he happens to be in the mood, bungles around trying to set the stage for one.

How he can fall asleep right in the middle of an exciting quarrel.

Why he always wants to plunge into a love-affair as though it were a swimming-pool—and dash out of it again as though it were a revolving door.

Why he lets his hair grow long on top—and then steaks it back as though he were ashamed of it.

Why he tries in every way under the sun to find out whether or not she loves him—except by the simple method of ASKING her.

LOCAL RED CROSS SOCIETY MEETING

Mrs. Frank S. White Was Elected President, Mrs. John A. McAvity Resigned.

Mrs. Frank S. White was elected by acclamation president of the Local Red Cross Society at a special meeting held yesterday morning in Trinity church school room. Mrs. John A. McAvity having resigned from the position Mrs. George F. Smith, first vice-president, took the chair. Mrs. James Robertson brought in the report of the nominating committee who named Mrs. White. Mrs. Smith referred to Mrs. White's fine record of service during the years of the war and the devotion she had always shown to the work of the Red Cross. She thought that the society was fortunate in its selection of a president and that also a measure of gratitude was due to Mrs. White for assuming the responsibilities of the office and hoped that the entire executive would bring to the general work a spirit of helpfulness that would be in accord with the spirit in which Mrs. White has accepted the position.

Miss Alice K. Walker brought the matter of the British War Relief Fund before the meeting through the reading of the pamphlet distributed by the N. B. Provincial Red Cross secretary, on behalf of the Canadian Red Cross Society. A committee of the Provincial Society of which F. A. Dykeman is chairman, and Reginald Schofield secretary, has already taken this appeal into consideration. It was decided to appoint a committee to represent the local Red Cross in any conference with the provincial committee. The committee with powers to add to its number, includes Miss Alice K. Walker, secretary of the local Red Cross; Mrs. H. Lawrence and Miss Stetson.
