An interesting lecture was given by A. E. Roberts of St. Thomas before the Theosophical Society on Sunday evening on the subject of "Evolution."

Mr. Roberts endeavored to show that the evolution of one kingdom above another is due to the spiritual energies within the outward forms of matter, and that the refinement of matter is due to vibratory activity reaching up until it attains a degree of fineness, when it is possible for a higher kingdom to take a hold upon it.

From the earth in its nebulous state, the speaker traced the growth of life, through the different kingdoms until the struggling cone reaches up to God.

In speaking of the condition of society, Mr. Roberts stated that the organizations for reform must engage themselves with social problems if they would obtain their objective in the brother-hood of man. Theosophical Society on Sunday even-

MARRIAGE ETERNAL,

IS MORMON BELIEF

In Tanglble Heaven, Lovers Will Be Reunited, Says Missionary.

Nephi Jensen, former lawyer of Utah, now president of the Canadian Mission of the Mormon Church, spoke to a large audience in the Star Theatre last night. "The Mormon Idea of Man and Marriage" was his theme. He said in part:

"The divinity of man and the divinity of

he meant literally what he said. God is the Father of our spirits, as Paul declared. As organized, intelligent spirit personalities, we lived with God before we came to this earth. We were in the happy throng that rejoiced because of the completion of the creation of the earth.

"We came fitto this world with the stamp of divinity upon our spirits. It is possible for us to attain to the perfection of God. Jesus taught this beautiful doctrine in the Sermon on the Mount. We accept as literally true his words, Be ye therefore perfect as your Father which is in heaven is perfect.

"Real Tangible Persons."

"In the hereafter we will be real tangible persons with flesh and bones. This earth in its perfected state will be our future home. We will know each other. We will eat and drink, work and play, and study and pray. For those who enter in at the straight gate, the story of love will have no end. The noble pair whose hearts first beat as one in this vale of tears will walk hand in hand, and heart in heart, through eternity. The doctrine of the eternity of marriage is taught in the New Testament. Paul said: "The man is not without the woman in the Lord. Even if the apostile had not made this statement, you would have known that the doctrine of eternal marriage is true. For heaven could not be heaven for those who are separated from those they loved most dearly in this life."

Emissaries of the different religions of this sort have appeared and disappeared, like mushrooms, a mere growth over night. History justifies the New Testament's claims about Jesus. The greatest intellects of the ages have taken up his challenge to follow him. The church is an institution of Christ, and stands as a great proof of his divinity in its growth and progress, and wherever its representatives have gone in all parts of the world there have gone the highest and purest forms of civilization. Every seet taking a lower view of Christ but that he was the Son of God have done nothing in the way of sending out representatives, and their existence has been brief.

### Poisoned by Thousands (By L. W. Bower, M. D.)

Backache of any kind is often caused by kidney disorder. Poisonous matter and uric acid accumulate within the body in excess, over-working the sick kidneys, hence the congestion of blood causes backache in the same manner as a similar congestion in the head causes headache. You become nervous, despondent, sick, feverish, irritable, have spots appearing before the eyes, and lack ambition to do things.

Simply ask your druggist for "Anuric" (anti-uric acid) Tablets if you aren't feeling up to the standard. If you have lumbage, rheumatism, dropsy, begin the treatment immediately.
