ANNOUNCED THAT MATHEWS-BLACKWELL, LIMITED IS THE CANADIAN FIRM INCLUDED.

New York June 12—John A. Hawkinson, president of the Allied Packers' Inc., the new independent packing corporation, announced today that the Canadian concern which will enter the new combine is Mathews-Blackwell Limited with headquarters at Toronto and with five plants in all, located in various points in the Dominion.

Mr. Hawkinson stated that the concern was probably the largest packing enterprise in Canada. The first announcement of the merger was made on Monday at Chicago when the names of the American firms involved were given out but that of the Canadian company withheld. The American firms are Parker, Webb & Co., Detroit; C. Klinck, Packing Company, Buffalo; F. Sohenik Sons & Co., Whelling; W. V. Botschelder & Snyder, Boston; W. S. Forbes & Co. Richmond, Va., and the Mason Packing Company, Mason, Ga.

The announcement said that the merger company will have distributing agencies throughout England and Europe and will make a special feature of export business.

Mrs. Margo, Montreal, was drugged, beaten and robbed by an armed gang of masked robbers. Western Canada meat packers have imported several thousand carcasses of Australian mutton.

18-CENT ROASTS AS GOOD AS 30-CENTS, SAYS COST PROBE WITNESS

OTTAWA, June 12.—J.A. Leduc M.P. for Westmount—St. Henri, told the cost of living commission of the Commons this morning that by conducting a "cash and carry" business and owning his own abattoir he was able to sell beef at a reduction of from 30 to 35 per cent. On other provisions he was able to sell at from 20 to 25 per cent cheaper. He had to keep only three rigs instead of the 20 or more necessary to a delivery business.

For the best roasts of beef in small cuts he said, he had not yet charge more than 30 cents per pound. Rib roasts he sold for 25 cents; shoulders 15 cents to 18 cents; round roasts 25 cents, brisket 15 cents, shanks 10 to 12 cents.

Telephone a Factor.

One of the greatest causes of the high cost of living, he said, was the telephone. Most people seemed to think that the usual order over the telephone was for the highest price. They did not know that as good a roast could be got for 18c. as for 30c.

Mr. Leduc was satisfied with a profit of one cent to two cents per pound on butter.

"Not too much system is business gentlemen," said Mr. Leduc, when aked how to conduct a business economically. "Too much system takes the profits. There will be leaks. It takes more to take care of the leaks than the leaks lose."
