Mr. Alex. Naimith of Vancouver, writes under date of March 20 to say: "The washing machine is revolutionizing in a great improvement on the old one." Why is it that these washers are in use now at the General Hospital, Women's Home, Children's Home, Deaf and Dumb Institute, Keeley Institute, Provincial Asylum for the Insane, and in all boarding houses, and perhaps five hundred homes in this city, and thousands of homes in the country? Simply because they are the best in the market. I have offered \$200 for the first washer that will clean as well as mine on same quantity of suds. I have the use and can prove it. I want one machine in each town to sell them. They sell from \$4.00 up to \$25.00. Can do work with one gallon of suds.
