JUDGES:

ROGER SMITH integrated his hobby of 15 years, photography, into his job as Scientific Technician in the Biology Department at UNB. After getting his M.Sc. he said, "I put my degree in a drawer and became a photographer." And he's been doing just that for seven years now! Working in all photographic mediums, Mr. Smith has had one-man shows in Fredericton and has won several awards for photographic excellence.

CLAYTON LEWIS is a photographer as well as Math Prof at UNB. He has studied photography at Cornell University and Ithaca College. In New Brunswick Mr. Lewis has had one-man shows in Fredericton, Saint John and Moncton as well as being published in various newspapers and magazines. Also well known as a teacher of photography Mr. Lewis has been co-ordinator of the Maritime Photographic Workshop three years and teaches about six photo courses a year.

Have you sponsored a bowler yet?

The annual "Bowl for Millions" campaign for Big Brothers-Big Sisters kicks off Saturday, February 7. Big Brothers and Big Sisters are volunteers who offer one-to-one friendship to boys and girls in single-parent families. This year the agency is hoping to raise \$40,000 with its bowlathon to help pay the salaries of four professional staff and to maintain its offices at the Victoria Health Centre.

A good number of people on the hill will be involved on February 7. Teams from The Brunswickan and CHSR-FM will do battle at 9 a.m. at the Nashwaaksis Bowi-A-Drome, as will the UNB and STU SRCs. The UNB athletics department has challenged the city recreation department and a team of Little Brothers will be rolling against five wheelchair athletes.

A team of five UNB faculty

and staff will be lined up against five counterparts from STU, under the leadership of Dr. Robert Monterio. UNB's team includes Dean of Arts Peter Kepros, Assistant Director of Extension Bob Williston, Director of Personnel, Jim Horn, Dean of Students Barry Thompson and bookstore manager Doug McConnell.

Other matches slated include STU Tommies vs Fredericton Red Wings, Garden Creek

Elementary School vs Forest Hill Elementary and a team of mixed media vs five politicians. A number of teams from the UNB-STU residence system are also expected to enter challenges.

Celebrity bowling sessions are arranged for the CFB-Gagetown lanes on the afternoon of Feb. 7 and to wind up the week, at the Marysville lanes on February 14.

Perhaps the most interesting

challenge match of all will take place at 1 p.m. at Marysville when Ronald MacDonald and a Little Brother will take on CIHI's Toulouse the Moose and a Little Brother. UNB's Red Devils will also be there.

The purpose of Celebrity Bowling is to attract attention to the main Bowl for Millions campaign, and to help boost its financial success by expanding the total base of sponsorship.
