I suffered for four years with pains every period, and I dreaded the time as I knew it meant two or three days' misery. I tried several different widely advertised remedies, and found they were all failures. One day a friend called, who had suffered as I had been, and who told me that she had been cured through the use of Dr. Pierce's Favorite Prescription, so I purchased a package. **CURED HIS BRIGH'S DISEASE**

Former President of Bricklayers' Union used Dodd's Kidney Pills

Andrew McCormick, of Toronto, Teller of a Cure for the most Dreaded of all Diseases.

Toronto, June 15.—(Special).—In these days when the dreaded Bright's Disease seems to be selecting its victims at will the report of an authenticated cure is received with relief by all classes of the community. And such a report comes from Andrew McCormick, of 243 Spadina avenue, this city.

That Mr. McCormick is well known and highly respected, is evidenced by the fact that he has held offices in several fraternal societies, and was for several years President of the Bricklayers' Union. Interviewed regarding the cure, Mr. McCormick says:

"I suffered with an attack of Bright's Disease and naturally was much troubled concerning it. I heard of the wonderful cures effected by Dodd's Kidney Pills and concluded to try them. The result was so satisfactory that it gives me pleasure to recommend them."

Make and keep the Kidneys sound by using Dodd's Kidney Pills and there can be no Bright's Disease.

**PAIN'S CELERY COMPOUND**

Cures Summer Rheumatism.

A Cornwall, Ont., Gentleman Completely Cured After the Failure of Physicians'

Recent reports from medical men in various sections, indicate that rheumatism is on the increase this summer. This being the case, we employ rheumatic victims to make every effort to remove this dangerous febrile disorder before the intense hot weather comes on. During the month of June, a few bottles of Paine's Celery Compound will speedily banish articular, inflammatory or muscular rheumatism. Mr. G. J. McDonald, Cornwall, Ont., speaks about his cure as follows:

"For three years I suffered terribly from rheumatism. It seemed to me that I was forced to endure all the agonies of pain that a mortal could possibly experience from the dreadful disease. While suffering I tried many of the advertised medicines and also doctors' prescriptions, but never found a cure until I procured a supply of Paine's Celery Compound. It worked like a charm and seemed to strike at the very root of my trouble. I am now cured; all my pains are banished, and in every respect I am a new man."

**WORLD'S DISPENSARY MEDICAL ASSOCIATION, PROPRIETORS, BUFFALO, N. Y.**

A Massachusetts one-cent star, Carrie E. Haman, of No. 69 Hale Street, Beverly, Mass., who is well known socially there, being Treasurer of the Order of the Good Will, writes the following: "Your 'Favorite Prescription' is without a doubt, the finest remedy I have ever used for female difficulties. I suffered for four years with pains every period, and I dreaded the time as I knew it meant two or three days' misery. I tried several different widely advertised remedies, and found they were all failures. One day a friend called, who had suffered as I had been, and who told me that she had been cured through the use of Dr. Pierce's Favorite Prescription, so I purchased a package. I found that the real value of your medicine was greater even than my expectations, and the next month I had hardly any pains. The following month I had none, and I found that my general health was much better and new life strength was coming to me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

The Common Sense Medical Adviser, 1008 pages in paper covers, is sent free on receipt of five cents to pay for postage and handling charges. Address Dr. R. V. Pierce, Buffalo, N. Y.
