RAND COMPRESSORS LEAD.

The following extract from letter received from the Centre Star Mining Co., Rossland, B. C., shows that the HIGHEST DEGREE OF PERFECTION HAS BEEN ATTAINED :—

" We are pleased herewith to enclose result of test run on our 40 Drill Compressor. This test was run under our own supervision as per agreement. The Compressor delivered during the run the GUARANTEED 3,960 FEET OF FREE AIR AT 62.7 REVOLUTIONS PER MINUTE, WHILE THE MAXIMUM SPEED IS 70 REVOLUTIONS. We wish to congratulate you upon your success in building a compressor which in every way has proved to be satisfactory.

Yours truly,

THE CENTRE STAR MINING CO., Limited

ALFRED C. GARDIE,

Chief of Construction."
