

TOWN OF WALKERVILLE

Tenders for GRANOLITHIC SIDEWALKS

Sealed tenders will be received by registered post, addressed to the undersigned, up to noon on FRIDAY, THE 30TH DAY OF JUNE, 1905, for the construction of Granolithic Sidewalks on the following streets:

On the north side of Cataract street, from Victoria to Monmouth road, five feet wide and three feet from the curb line.

On both sides of Niagara street, from Monmouth road to Walker road, five feet wide and three feet from the curb line.

On both sides of Tuscorora street, from Victoria road to Devonshire road, five feet wide and three feet from the curb line, all in the Town of Walkerville.

Plan and specifications may be seen on application to Mr. Owen McKay, C. E., Walkerville. Tenders must be accompanied by a marked cheque, made payable to the Town Treasurer, equal to 5% of the amount thereof.

Should any party whose tender is accepted or his sureties fail to execute the necessary contract and bond for the due fulfilment of the same, his deposit will be forfeited to the town. Deposits of unsuccessful tenderers will be returned.

The lowest or any tender not necessarily accepted.

The names of two responsible persons willing to act as sureties must accompany each tender.

CRCIL H. ROBINSON,
Town Clerk.

Walkerville, 15th June, 1905.
