'Tis Prudent to Prevent Disease

A Little Care and Attention Now May Add Years of Comfort and Happiness to Your Life.

Disease does not, as a rule, develop in a few days or a few weeks.

When you hear of people becoming victims of Bright's disease or dropping dead from heart failure you can depend on it that they have been ailing for months and years.

If you are on your guard against the first symptoms which tell of serious disease you can prevent the painful and fatal results.

When the back aches, when the bowels get constipated, when the liver becomes clogged and inactive and you suffer from indigestion you cannot afford to trust to these troubles wearing away.

A few weeks' treatment with Dr. Chase's Kidney-Liver Pills will regulate and invigorate these organs and may save you years of suffering.

Addemup, who had taken a day off to attend the bookkeepers' picnic, was displaying his agility by climbing a tree. He fell in such a way that his foot caught in a fork of the tree, and there he hung, head downward, ten feet from the ground.

"Help me down!" he exclaimed, in a voice of agony. "for Heaven's sake! My fountain pen is leaking!"

Wm. Taggart's Kidney Disease Cured by Dodd's Kidney Pills.

Well-known Tilbury East Farmer Tells How Easily He Got Rid of His Trouble.

Tilbury, Ont., Aug. 8th (Special).—Mr. Wm. Taggart, a well-known and highly esteemed farmer of Tilbury East, tells of his remarkable cure of long standing Kidney Disease by Dodd's Kidney Pills.

"For about four or five years," says Mr. Taggart, "I was a sufferer from Kidney Trouble, and the scores of medicines I used gave me no relief. I was forced to get up three or four times every night, and my life was simply miserable. At last I started to use Dodd's Kidney Pills, and I got relief from the first. After using two boxes I was completely cured, and you can bet I was a happy man. I cannot speak too highly of Dodd's Kidney Pills."

All urinary complaints are caused by Diseased Kidneys. Dodd's Kidney Pills always cure the Kidneys, and therefore always cure urinary complaints.

SCOTT.

Mr. John Gardhouse, Highfield, Ont., who has just returned from the Winnipeg Exhibition, where he officiated satisfactorily as judge of heavy draft horses, writes: Our Shires and Shorthorns are doing well. Our imported bull, Scottish Prince, is looking fine, and we expect to have him at the Toronto Exhibition, also some Shires.

The admiration which Bob felt for his Aunt Margaret included all her attributes. "I don't care much for plain teeth like mine, Aunt Margaret," said Bob, one day, after a long silence, during which he had watched her in laughing conversation with his mother. "I wish I had some copper-toed ones like yours."

It was a hot day, and the dray horse and the Hackney carriage horse happened to be drinking at the same trough.

"You're a perfect fright," said the Thoroughbred, indulging in a horse laugh, "with that hideous old straw hat on your head."

The dray horse looked at him but said nothing.

Then, with a swish of his ample tail, he brushed a fly from the quivering hide of the carriage horse, which the latter, with his poor little stump of a tail, was unable to reach, and dipped his nose in the trough again.—[Chicago Tribune.

There are only 7,000 people to occupy the 1,800,000 acres of land in Morrow County, Oregon, and 300,000 sheep graze within the boundaries of the county. Last year then, there were 43 sheep to every resident. The sheep produced 8,500,000 pounds of wool, which at 20 cents a pound brought in \$700,000, or \$100 for every citizen, whether a sheep-raiser or not. And this \$100, of course, does not include the value of the increase of the money received from the sheep sold for mutton.

A German clergyman who was traveling stopped at a hotel much frequented by wags and jokers. The host, not being used to having a clergyman at his table, looked at him with surprise; the guests used all their raillery of wit upon him without eliciting a remark. The clergyman ate his dinner quietly, apparently without observing the gibes and sneers of his neighbors. One of them, at last, in despair at his torbance, said to him: "Well, I wonder at your patience. Have you not heard all that has been said to you?"

"Oh, yes; but I am used to it. Do you know who I am?"

"No, sir."

"Well, I will inform you. I am chaplain of a lunatic asylum."

CLYDESDALES AT WINNIPEG.

The Clydesdale class at the Winnipeg Exhibition, though of considerable merit, was not considered quite equal to that of the two previous years. Mr. John Gardhouse, Highfield, Ont., was the judge, and gave general satisfaction in his awards. In the aged stallion class the Treherne syndicate got into first place with Barrowman, imported by Alex. Galbraith & Son; his sire, Woodend Gartly, being placed second to the son, a decision which some judges would probably have reversed. Nick o' Time, shown by T. E. M. Banting, was third, and Clanyard, imported and owned by John Graham, Carberry, fourth. In the three-year-old stallion section, Barclay, a son of Up-to-Time, imported and exhibited by Galbraith & Son, was first; Cadet, by Woodend Gartly, shown by J. Mitchell, Winnipeg, was second, and Blackhill Prince, by Sir Hugo, imported and shown by T. H. Hassard, Millbrook, Ont., was third.

In brood mares with foal at foot, Van Horne's Ontario-bred mare, Meg Merillies, was first, and N. P. Clark, of Minnesota, second, with Princess Superior. The sweepstakes mare was Galbraith's Ben Ledi Flower, the first-prize three-year-old filly, who was also the sweepstakes female. M. E. Sutton, Roland, was first in two-year-old fillies, with May Darnley, and John Wishart, Portage la Prairie, first in yearlings, with Jewel of Prospect. Barrowman was the champion stallion, Clydesdales and Shires competing.

Rino-Bone

So common nearly every body knows it when he sees it. Lameness, and a bony enlargement just above the hoof, or higher and on the upper pastern bone, sometimes extending nearly around the pastern, sometimes in front only, or upon one or both sides. Cases like the latter are called Sidebones. No matter how old the case, how big the lump, how lame the horse, or what other treatment has failed, use

Fleming's

Spavin and Ringbone Paste

Use it under our guarantee—money refunded if it fails to make the horse go sound. Often takes off the blemish, but we can't promise that. Use three 5-minute applications required and anyone can use it.
