Shorthand

We teach the "Gregg" System of Shorthand because we know it is the best.

It is written in one straight line and based on the movement required to write ordinary longhand. It requires no shadings, back slants or vertical strokes which are "hard to remember" and require "slackening up" to make correctly.

The Gregg is thus easier to learn, write and read. A speedy, accurate stenographer is the result.

The Principal of our Shorthand School graduated under the author of the "Gregg" system, and her two assistants are graduates of the Business Educators' Association. You are assured of the very best tuition here.

More information in our large, illustrated catalogue, which we would like to mail you free. First lesson on Gregg sent free on application.

A greater demand for our graduates than we can supply.

**—No Stretch
—No Shrink**

The way Stanfield's Underwear is, when you buy it—is the way it stays until you are ready to stop wearing it.

Stanfield's Unshrinkable Underwear

can't shrink because the shrink is taken out of the

wool, before garments are woven. The natural "spring" of the wool prevents stretching out of shape.
