VOL. XXXV. WINNIPEG. SEPTEMBER 5, 1900. MANITOBA. No. 50.

At Qu'Appelle Fair

IN conversation with a representative of FARMER'S ADVOCATE, who visited the above exhibition, we were advised that one of the exhibitors of stock there showed him a splendid young filly that had been badly cut by barbed wire and nicely cured by using **Dr. Warnock's Ulcerkure**. He stated he kept a number of horses, and has some cut by wire nearly every year, and would not be without **ULCERKURE**. Nor should any person keeping animals be without it.
