TARRANTS' SELTZER

A MAN OF NOTED HEALTH was asked how it was he seemed to be always well. "I am not particular in my meals; I eat what I like, and whenever I feel under the weather, I resort to my Tarrant's Seltzer Aperient, which I keep always in my house." Wise, neat, and economical as well. He does not resort to violent means for relief. He uses Nature's remedy, in the shape of this aperient.

Sales of Lands to Individuals or Corporations

14. In any case where a company or individual applies for lands to colonize, and is willing to expend capital to contribute towards the construction of the Dominion Pacific Railway, the Government is satisfied of the good faith and ability of such company or individual to carry out such undertaking, the odd-numbered sections in the case of lands outside of the Canadian Pacific Railway Belt, or of the Belt of any branch line, shall be sold to the company or individual at half-price, or \$1 per acre, in cash. In case the lands are applied for by a company or individual, the same principle shall apply so far as one-half of each even-numbered section of each even-numbered section may be sold to the company or individual at the price of \$2 per acre, to be paid in cash. The company or individual will further be protected up to the extent of \$500, with six per cent. interest thereon till paid, in the case of advances made to place families on homesteads, under the provisions of section 10 of the amendments to the Dominion Lands Act hereinbefore mentioned.

MECHANICAL ORGUINETTE

AN AUTOMATIC REED ORGAN.
"THE ORGUINETTE may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to produce music. The ORGUINETTE is on the other hand, entirely mechanical in its action, and at trifling expense it can be made to furnish an unlimited supply of all kinds of music."

MECHANICAL ORGUINETTE

AN AUTOMATIC REED ORGAN.
"THE ORGUINETTE is indeed a musical wonder. It is a miniature reed organ, with its strong and melodious tones as the Cabinet Organ. It surpasses the Cabinet Organ for the reason that the organomimic can play it as well as the most accomplished professional. The ORGUINETTE is strong and accurate in its mechanism, and consequently not liable to get out of order."

MECHANICAL ORGUINETTE

AN AUTOMATIC REED ORGAN.
"THE ORGUINETTE is the most perfect automatic musical instrument yet invented; its repertoire is unlimited, the tone is remarkably good."
