It will be of some interest to the readers of the WESLEYAN, especially to the brethren who have laboured in this circuit, to learn that our new Church at Roseway was, last Satibath, dedicated to the worship of Aimighty God, according to the ritual of the Methodist Charci. Though the day was very stormy the congregations were large. In the morning the Rev. Richard Smith, Chairman of the District, favoured us with a powerful and effective sermon from the words, "God is in the midst of her; she shall not be moved; God shall help her, and that right early." In the afternoon the R.v. A. Hockin gave us an excellent sermon from the words, "And Moses built an altar and cailed the name of it Jehovah-Nissi." Both sermons were well adapted to the occasion, and were highly appreciated by the people. The singing, under the Elijah Hagar, was lively and inspirit minutes, "I should call him a willowy ing.
