W. H. JOHNSON,

SCROFULA

and all scrofulous diseases. Sores, Erysipelas, Tetter, Ringworm, Ringworm, Tubercles, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.
"Some months ago I was troubled with scrofulous sores (tubercles) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done for me. My knowledge of it is a recommendation to all who are afflicted with these diseases."
Yours respectfully, MRS. ANN O'BRIEN,
148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brien also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many other instances.

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June 7, 1882:
"Having suffered severely for some years with Eczema, and having failed to find relief from other means, I have made the use of the past three months of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla
stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.

Who is Perry Davis?

About forty years ago when Perry Davis of Providence, R. I., in the United States, first introduced to the world his now universally known Pain Expeller, he was a poor man with only a few dollars in his pocket. He studied the effect of certain herbs upon the human system, and extracted from their use until he had compounded a medicine capable of curing his own malady. When restored to health he offered the preparation to his fellow sufferers, and now there is not a country on earth that does not buy it. It is eminently a

Applied externally, it has been found very useful for Sprains, Bruises, Rheumatic Pains, Swelled Face, etc., arising from Toothache.
