**CHIROPRACTIC**  
Whom it can benefit and why

MANY PEOPLE ask the chiropractor the question, "Will spinal adjustments restore me to health after years of chronic ailment, and do you guarantee a cure?" The answer is, simply: "Nature restores normal conditions in all parts of the body, when the nerves are free from bone pressure in the spine. The restoration is carried out by nature's laws, and they never fail, if the patient gives the proper attention and time required. Ask our many patients who have experienced a complete restoration to health through chiropractic after drugs and surgery, etc., had failed. **FRANCIS CHATTOE, 316 BRUNSWICK, also Branch Office, 96 Shuter, corner Jarvis.
