An Extra Special in Men's Trousers

THESE trousers were made in our own workrooms under our own supervision, consequently we know that they are well and carefully made. We sell them in the regular way at \$3.50, which practically means that the tailor in your vicinity would charge you from \$4.50 to \$5.00. Remember, they are made of imported English Worsted, and cut in the very latest style. If you do not consider them the best value in pants you ever saw, return them and we'll return your money willingly.
