The Corset is the underlying Secret of the Spring Costume

Straight up and down lines---but how to achieve them? The new corsets are expressly designed for that purpose, providing straight lines over the hips and back, yet comfortable, withal. You may choose wrap-around, slip-on, front or back laced models, in sturdy, attractive materials.

Select the right corset, and the task of choosing a becoming wardrobe will be much lighter.

FORWARD BRITISH COLUMBIA and THE CANADIAN WEST!

In planning and preparing for big expansion in Community Service in British Columbia and the Canadian West generally, this British Columbia Monthly Magazine invites the co-operation of its steadily-increasing number of readers in cities and rural districts alike.

To stimulate interest towards that end, we offer a Prize of \$5.00 for each of the two best short letters setting forth—

HOW THIS MAGAZINE MAY BEST HELP FORWARD B.C. and THE CANADIAN WEST

One prize shall be given to the writer of a letter "FROM A WOMAN'S POINT OF VIEW," and one to the writer of a letter "FROM A MAN'S POINT OF VIEW."

Letters, (typewritten preferred), may be from 200 to 300 words (or less) in length. This Magazine may publish the Prize letters in whole or in part, and may also publish or quote from others.

Address Letters "FORWARD B. C."
