He says in substance that at the time it was determined to remove the bluff on West Columbia avenue a certain contractor (name not given) manipulate matters for him so he could get the contract there would be \$1,000 in it for Mayor Wallace. The latter says he answered that the contract twould be let by tenders to the lowest bidder, and that he (the mayor) would not use his influence to have it let otherwise. The would-be boodler did not put in a tender and shortly after left the city. Mayor Wallace asserts that this is the whole truth in the matter, and that the offer to bribe him in no way touched upon the proposition of the city purchasing the water and light plant, as a candidate for mayor.
