CRAMP AND PAIN-KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN For the Cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the foregoing complaints. And we say no more than hundreds and thousands who have used it will assert, when we say there is no Medicine other designed for that class of complaints, possessing more than a tythe of the power to relieve and cure of this.

We solicit particular attention to the fact that it does not contain a particle of Opium in any form. Neither does it contain Camphor.

It is free from any deleterious article, and cannot, in any supposable case, injure the patient.

It does not weaken the Life Forces, nor produce the burning, drying, nervous sensations, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, producing Costiveness and its attendant evils, but is a promoter of digestion, and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS,
Local Pains, &c., it has proved surprisingly successful, nearly failing in every case in the most desperate and long standing cases. (See Certificate.) In fresh cases, the parts affected should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till all irritation is produced on the parts, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC,
We believe it will never fail to speedily cure. It should be a teaspoonful at a dose, on sugar or molasses, or in any manner the patient may take it, and the cure is certain. It benefits from the first dose, and if in the most severe cases the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA,
Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases; and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,
Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case; where it has been early and faithfully applied. In Canada, where it proved singularly fatal, it was found to yield to this remedy; and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the then Provincial Board by the Press, as the first, the surest remedy to be used.

As a dressing for Cuts, Wounds, Bruises, &c., it is without a rival. As also in cases of Burns, Scalds, Frozen, &c.,—relieving the pain and healing without scar.

FOR TOOTHACHE,
It is, nine times out of ten, a CURE. We believe it will never fail, unless the tooth is decayed. If the tooth is hollow, saturate a little flat cotton with it, and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the Headache.

We are constantly receiving certificates from every part of the country, many of which will be found in pamphlets, and in pamphlets which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Buckman, Esq., of Hanover, Ont.:—

HANOVER, July 11, 1850.

Messrs. Curtis & Perkins,—For two years past I have been entirely afflicted with the Rheumatism; both of my hands were swelled to such a degree that I could not put a breech dress coat on my breast bone, appearing like a part of the bone thereof, and I cannot find any relief from any of my medicines, until I used your Cramp and Pain Killer, which I have used for two years. I obtained the first number of certificates, which I had for a short time in possession of the Committee, which I had the pleasure to present to a number of my friends and acquaintances, and to many strangers, who called at my store, and I found I could get none now nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles, and I feel much more comfortable than was recommended.—The swelling has all gone down both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three years, by a sense of my age. No description of my case has ever been the want of breath; I have received from this article. I believe it is the best article in the world for Rheumatism. I have also used it for a bad pain in the stomach, and always found it relieve either.

CANTON HOUSE.

FAMILY TEA, COFFEE AND SUGAR WAREHOUSE,
No. 109, Notre Dame Street.

SAMUEL COCHRAN invites the attention of Customers to his stock of TEAS and COFFEES, which have been selected with the greatest care, and on such terms as allow him to offer them at unusually low prices.
The MACHINERY on the Premises, worked by a Four Horse Power Steam Engine, for Roasting and Grinding Coffee, is on the most approved plan, the Coffee being closely confined in *perforated metal spheres*, which are constantly revolving and oscillating in *heated air chambers*, is prevented imbibing taint from Smoke, danger of partial carbonization of the Bean and loss of Aroma, so important to *Connoisseurs*, which is further ensured by attention to Grinding at the shortest time prior to Sale. To this elaborate process SAMUEL COCHRAN owes the high reputation his Coffee has obtained through a large portion of the Provinces.
CRYSTALIZED SUGAR (much admired for Coffee); REFINED SUGAR in small loaves, and WEST INDIA SUGARS, of the best qualities, always on hand.
A few of the choicest selections of TEAS may be had at the CANTON HOUSE, in Native Catty Packages, unrivalled in flavor and perfume, at moderate terms.
Families residing distant from Montreal will have their orders scrupulously attended to, and forwarded with immediate despatch.
