## Acknowledges the Lie

## The following telegram was received at the Nugget olice at 130

 m. today from our Special Correspondent stafioned at Skagway: Daily $\mathcal{E}$ ugget,Dawuson.
The Daily Alaskan says that the Dalnson Dailly Nelvs' Corespondènt has been ordered to find out hows the ON(uggel secured the report of SMcKinley's inauguration on March 7th.

If the Daily News correspondent inn't abead of the Daily News editorial staff, he is quite likely to make a mess of the matter. The Nugget wouldn't mind telling the News all about it, only we are ranning a newspaper and not a kindergarten for the instruction of amateur fournulists.

We wish the pablic to notice, bowever, that in wiring its corres-
ndent as noted above THE NEWS ACKNOWLEDCES THE LIE Charged against it last night by tits paper.
