

THE ACADIAN.

WOLFVILLE, N. S., NOV. 24, 1913.

Editorial Chat.

Mr. A. DeW. Foster, King's clever representative, made his maiden speech in the House on Wednesday afternoon in reply to the speech from the throne, and created a very favorable impression.

The executive committee of the Nova Scotia Horticultural Exhibition, which was held in Wolfville in October, met at the council chambers at the Town Hall on Tuesday evening. The secretary presented his report, showing that the exhibition was financially, as well as otherwise, a success, there being a surplus over expenditures. Mr. Fred Bishop was appointed to audit the books of the secretary and treasurer, to report at an early date as possible.

Prof. Vernon P. Masters was a visitor to Wolfville during the past week. Prof. Masters is a native of Church Street, a son of the late James Masters. He graduated at Acadia in the class of '86, and after pursuing graduate studies at Cornell was for some time professor of geology at the Indiana State University. He was for some years chief of the geological survey of Peru, and is now consulting engineer for the government of that country. Old friends were glad to welcome him back to Wolfville.

In the Los Angeles, Cal., Sunday Times of November 5th appears an article on the park which that city is now considering. When finished it will be the largest park or any city in either of the Americas. Three hundred acres will have to be consumed in this city, costing perhaps \$500,000. This park is being designed by Mr. L. D. Cox, a graduate of Acadia in the class of '03, who fills the position of engineer of the Los Angeles park system. While living in Wolfville he made many friends who will be pleased to hear of his success.

The purpose of store advertising is not merely to sell goods, but to sell more goods—to make friends, build up a patronage that will not only stick but grow. Newspapers reach the greatest number of people in an immediate vicinity in the most natural way, at the least expense, and they are therefore the best of all mediums for stores. In a newspaper you follow the lines of least resistance—you follow with the stream—you talk to an audience already assembled, to the people who want to read—their mental compass is right—their eyes are on you—and they won't ring off if you hold their interest. Advertising is the basis of all advertising—the store is the sun, the customers the planets that revolve around it.

Nova Scotia Fruit in the West.

W. H. CHASE DECLARES OUR APPLE GROWERS HAVE ADVANTAGE OVER AMERICANS.

Montreal Star.—That Nova Scotia can supply the west with better fruit than the United States and that, therefore, inter-provincial trade should be advocated above other policies, is the opinion of Mr. W. H. Chase, of Wolfville, N.S., one of the biggest fruit shippers in that part of the country. At the Windsor Hotel last night, he stated that the apple crop in Nova Scotia this year would reach about 1,500,000 barrels, which would net the farmers over two million dollars. The export of apples from his Province had been tripled in the last few years, and Mr. Chase is of the opinion that it will double itself again within a few years.

Halifax is the shipping point, said Mr. Chase, and will remain so, especially since the C. P. R. has come into possession of the Dominion Atlantic system. The Canadian Pacific spiced out the land and knew what the producing qualities of the counties of Hants, Kings and Annapolis amounted to. As a matter of fact they are now carrying some times twenty thousand barrels daily over the road to Halifax, and the quantity reaches frequently as much as sixty thousand barrels.

Speaking of possible competition, Mr. Chase said that there was no place in sight as the particular climate found in the valley flanked by the north and south mountains rendered any serious competition out of the question. England and Scotland take the larger quantity of Nova Scotia apples, although there have been five shipments direct from Halifax to Hamburg during the present fall, and it looked as if the apple export business to Germany would in a few years reach very considerable proportions.

A Fair Offer.

YOUR MONEY BACK IF YOU'RE NOT SATISFIED.

We pay for all the medicine used during the trial, if our remedy fails to completely relieve you of constipation. We take all the risk. You are not obligated to us in any way whatever, if you accept our offer. That's a mighty broad statement, but we mean every word of it. Could anything be more fair for you?
A most scientific, common sense treatment is Rexall Orderlies which are eaten like candy. Their active principle is a recent scientific discovery that is odorless, colorless and tasteless; very pronounced, yet gentle and pleasant in action, and particularly agreeable in every way. They do not cause diarrhoea, nausea, flatulence, griping or any inconvenience whatever. Rexall Orderlies are particularly good for children, aged and delicate persons.

If you suffer from chronic or habitual constipation, or the associate or dependent chronic ailments, we urge you to try Rexall Orderlies at once. Remember you can get them in Wolfville only at our store. 12 tablets 10 cents; 36 tablets 25 cents; 84 tablets 50 cents. Sold only at our store—The Rexall Store, A. V. Rand.

Acadia in Boston.

The following from the Boston Globe concerning the recent annual dinner of the New England Alumni of Acadia University will be of interest to our readers:
"A surprise was accorded the 50 persons who attended the annual dinner of the New England Alumni Association of Acadia University at the Parker House last evening. The Freshman class sent by Pres. G. B. Catten of the university from Wolfville, N. S., a collection of probably the largest and finest apples that have been seen in Boston in several years. When the graduates, their wives, daughters and friends entered the private dining room, they found a large apple on each plate.

Rev. Dr. Ired B. Hardy of East Gloucester, who was toastmaster, was re-elected president. Other officers chosen were: Rev. Seldon W. Cummings, of Lowell, vice-president; Rev. A. V. Dimmock of Dorchester, secretary; Dr. M. C. Smith, of Lynn, treasurer; Allen M. Wilson, of Manchester, N. H.; John E. Eaton, of Boston, Dr. John W. Davis, of Boston, Dr. M. C. Smith, of Lynn, Dr. W. D. Harris, of Lynn, Rev. Dr. Hardy and Mr. Dimmock, directors.
The invocation was by Rev. Dr. W. B. Armstrong, of Burma, and addresses were made by Pres. Catten, Rev. Austin K. deBlais, of Boston, Rev. Dr. Roland D. Grant, of Boston, Rev. Dr. W. B. Boggs, of Tada, and Rev. Dr. Keirstead, of Newton Theological Institution.

Lecture on Shakespeare.
Rev. R. F. Dixon, Rector of Wolfville, delivered an excellent lecture on "The Writings of Shakespeare" at Christ Church Parish Hall on Thursday evening. It is very much to be regretted that there were several other attractions the same evening and the audience was small. Canon Vroom acted as chairman, and briefly introduced the lecturer, who pointed out and illustrated Shakespeare's peculiar power of giving interest and beauty to the commonplace things of life. No other poet, he said, at all approached Shakespeare, who stood by himself, and who had influenced English thought and language more than any other writer.

At the close of the lecture a vote of thanks was moved by Rev. Prof. Harley and seconded by Rev. Dr. Hunt.—Hunt's Journal.

King's College Notes.

The annual 8 x Mile Run took place last week. Teams from the Sophomore and Freshman classes alone were entered. Paul Maxwell of the Sophs finished first, followed two seconds later by Ken Campbell of the same class. Geo. Harley, Freshman, was 3rd; Gerald Jones, Freshman, 4th; and Geo. Morrison, Soph., 5th. These three men gave the cup to the Sophomore class. Football is over. After a pleasant, though not altogether victorious season we can lay away our tugs and get at something else. This season King's will have the best hockey team she has ever had. John Harley, who headed the team so successfully last year, has again been appointed captain and will have a good number of men to choose from. King's hopes to enter the Intercollegiate League this season.

On Monday last week Archdeacon Kenison, representing the M. S. C. C., addressed the students in the College Chapel on Missionary problems of the Canadian Northwest. He referred particularly to work among the Indians, giving a most interesting picture of their domestic life. He was enthusiastic and earnest and his address was a special treat. The Students' Missionary Society met on Tuesday night to consider mission work in the outlying districts of Windsor. The enthusiasm of the volunteers was arranged for. The Society is to be represented at the Men's Missionary Convention, Halifax, by Messrs. Harrison, Dwyer, Holmes

and others.
On Tuesday the Rev. Mr. Hall, representing the N. F. Sailors' Society, presented 'Nelson Shields' to the University and the Collegiate School. In the absence of the President the Rev. G. R. Martell acted as Chairman. Among the presentations was a brooch, made from metal from Nelson's flag ship, Victory, to Mrs. Powell, another of the same kind to Mrs. Handcomb, a cane with a Victory metal band to Mr. Handcomb and a watch to Mr. P. A. Beakle.
President Powell, who has been giving addresses on King's in Nova Scotia and New Brunswick for the past five or six weeks, has returned to his duties at the college. He reports an increased interest in King's. This interest has evidenced itself in liberal contributions to the Forward Movement.

Try the flour that holds the confidence of thousands of home-cooks

THE present huge demand for PURITY FLOUR shows the confidence in which it is held by thousands of home-cooks.
Those who have used PURITY FLOUR have come to believe in it. They look on PURITY as a friend. They feel they can trust it implicitly, because each and every lot of PURITY FLOUR has always been uniform—always up to the high standard of quality that has made it famous.
Wouldn't you, too, like to use a flour you could always rely on? Wouldn't you like to feel certain that your bread, cakes, and pies were going to turn out exactly right? That's just how you'll feel when you become a user of PURITY FLOUR—the confidence-creating flour.
PURITY FLOUR gives high-class results, because it consists exclusively of the high-grade portions of the best Western hard wheat.
On account of the extra strength of PURITY FLOUR please remember, when making pastry, to add more shortening than an ordinary flour requires.
And when making bread and more water, and PURITY FLOUR will expand into more loaves than the same weight of ordinary flour can produce, thus making "more bread and better bread."

Make your next flour order spell P-U-R-I-T-Y-F-L-O-U-R. It costs slightly more, but it's worth the difference. Add PURITY FLOUR to grocery list right now.

A Fresh Supply Just Received
—OF—
NYAL'S COD LIVER COMPOUND.
This is the greatest all-round tonic, strength restorer and body-builder that can be found, and it is no wonder that so many people are buying it, for it is equally good for children, for middle-aged persons, and for old people.
It is a real tonic containing cod liver extract, extract of malt, wild cherry and hypophosphites—a splendid combination.
The cod liver extract builds you up so does the extract of malt. The wild cherry gives you a better appetite and the hypophosphites supply phosphorus to the nervous system—just the thing it needs.
The taste is pleasant and agreeable—it will not nauseate the weakest stomach. Large bottle \$1.00.

Death's Harvest.
Mrs. AMELIA HARRIS
This estimable lady entered in our store on Thursday evening last week at the home of her daughter, Mrs. Frederick Armstrong, aged 78 years. At an early age she became a member of the Wolfville Baptist church, under the pastoral care of Rev. T. L. Harding, and commenced at once a life of active Christian service.
Her father, Nathaniel Randall, had several brothers, one of whom was Charles Randall, a prominent citizen of Wolfville who died some time in the 40's.
She was married to Mr. James Harris. This happy union was terminated by his decease a number of years ago.
Mrs. Harris has been for several years in delicate health. The end came as a sweet relief from sufferings patiently endured.
Three children lament the loss of an affectionate mother, Mrs. Frederick Armstrong and Mr. Benton Harris, of Wolfville, and Mrs. James Corrie, of Butte, Montana.
The funeral services were conducted on Sunday afternoon by Rev. E. D. Webster. The interment was in the old Wolfville cemetery by the side of her husband.
With profound regret that the news of a day chronic as the death of Mrs. J. D. Scott of River Hebert, who passed away suddenly at her home in that place yesterday. She deceased 123 had been in poor health for some time but no one anticipated that death was so near. She is survived by her husband, one son and four daughters, five by her brothers, Howard Pines, we will know captain of Wolfville, Perry I. and William B., of Moncton, Frank Pines, of Brandon and John Pines, of Prince Albert, Sask. At the time of her death Mrs. Scott was in the fifty-fourth year of her age. The funeral will take place by noon at two o'clock. The services will be conducted by Rev. J. A. Smith, pastor of the Methodist church in that place. The late Mrs. Scott was known on all the character widely and generally known throughout Cumberland and the west of her death will be lamented with deep regret by many friends throughout the country.—Advertiser.
