

UNABLE TO WORK FOR EIGHT MONTHS

For 4 Years Conductor Could Only
Work Half Time—Never Misses
an Hour, Now

The remarkable results being obtained from Tanlac is further evidenced in the case of Albert Burgess, a popular conductor on the Winnipeg Electric Railway who lives at 453 Stradbroke avenue, Fort Rouge. Mr. Burgess called at Liggett's drug store for his fifth bottle of Tanlac, recently, and made the following statement: "I have been so wonderfully benefited by Tanlac that I will never stop praising it," said Mr. Burgess. "For the past four years I have not been able to work but about three days a week and have had to spend a good part of my wages trying to get my health back. For eight months, I was unable to hit a lick of work and was just barely able to get about. I suffered with awful pains through my forehead all the time and also had spells of dizziness when I would have to catch hold of something to keep from falling. My stomach finally got in such a bad shape that I could scarcely eat a thing and barely enough to keep me alive. What little I did eat soured on my stomach and I suffered terribly from gas and bloating. I took all kinds of medicine, but still I suffered and could not get myself in shape to work more than half time. I would go for weeks at a time without getting more than an hour's sleep at night. My condition was awful, and I didn't know what to do for relief. "At last a friend begged me to try Tanlac and, now I wish I had known about it long ago. for it has really made me feel like a brand new man. I used to suffer with a dreadful hurting in the pit of my stomach, but after taking Tanlac a short while this trouble disappeared and now my stomach is in such a good shape that I can eat just anything I want and never suffer a bit with gas or pain and my appetite is so big that I can hardly get enough to eat. The pains have not only left me head, but all my misery is gone, and I have not missed an hour from my work since shortly after I began taking Tanlac. I have also gained several pounds in weight, but I was after relief: and thanks to Tanlac I have found it. I can now handle my work as well as when I first got my run seven years ago. It certainly was lucky for me that I got Tanlac."

Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centreville by Stevens Bros., in Woodstock by E. W. Mair, in Benton by W. E. Porter, in River de Chute by Daniel B. Baird, and in Florenceville by A. B. Lovely and in Bath by Bath Drug Co.

Don't Be Dyspeptic

The dyspeptic has thought only of the stomach when the real source of trouble is in the Liver Kidneys and Bowels. Dr. Chase's Kidney-Liver Pills thoroughly cleanse and purify the digestive excretory system and in this way put the organs of digestion into splendid working condition. A little patient urging on of these organs when sluggish will restore the habit of healthful digestion.

\$25.00 For A Letter CAN YOU WRITE ONE?

Thirteen Prizes to be Awarded
In a Letter Writing Competition

Some years ago the Dr. Williams' Medicine Co., of Brockville, Ont., offered a series of prizes to residents of the Maritime provinces for the best letters describing cures wrought by the use of Dr. Williams' Pink Pills for Pale People. Hundreds of letters were submitted in this competition, and yet there must have been thousands of other users of the pills who did not avail themselves of the opportunity to win a prize. To all these another letter writing competition is offered. Thousands of cures through the use of Dr. Williams' Pink Pills have never been reported. These will furnish the material for the letter to be written in this contest. There is no demand upon the imagination; every letter must deal with facts and facts only.

THE PRIZES:

The Dr. Williams' Medicine Co., of Brockville, Ont., will award a prize of \$25.00 for the best letter received on or before the 28th day of February, 1920, from residents of these provinces on the subject: "Why I recommend Dr. Williams' Pink Pills." A prize of \$10.00 will be awarded

for the second best letter received; a prize of \$5.00 for the third best letter and ten prizes of \$2.00 for the next best ten letters.

THE CONDITIONS

The cure or benefit from the use of Dr. Williams' Pink Pills described in the letter may be in the writer's own case, or one that has come under his or her personal observation.

More than one cure may be described in the letter, but every statement must be literally and absolutely true.

Every letter must be signed by the full name and correct address of the person sending it. If it describes the cure of some person whose cure is described as a guarantee of the truth of the statement made.

The writer of each letter must state the name and date of the paper in which he or she saw this announcement.

Fine writing will not win the prize unless you have a good case to describe. The strength of the recommendation and not the style of the letter will be the basis of the award.

It is understood that The Dr. Williams' Medicine Co. shall have the right to publish any letter entered in this contest if they desire to do so whether it wins or not.

The contest will close on February 28th, 1920, and the prizes will be awarded as soon as possible thereafter. Do not delay. If you know of a cure Write your letter Now. Observe the above conditions carefully or your letter may be thrown out.

Address all letters as follows:
