

FATHER AND SON SLAIN.

Bodies Found Hacked and Shot Near Grand Rapids.

The Alleged Murderer Arrested and Held in County Jail.

Believed That There Was a Woman at the Bottom of It.

Grand Rapids, Mich., Sept. 7.—Horribly hacked and shot, Mario Pavoni and his 12-year-old son, Alfredo, lie at a local morgue. Bortholomeo Sartori is believed to have been the murderer and is held at the county jail. With him are Daniele Cucco and Ulderico and Agostino Iaccaroni, the latter a son of Ulderico. The four are held on a general charge of "suspicion." All had shot guns.

The shooting occurred between 6 and 7 o'clock this morning in Pavoni's peach orchard, two miles west of the city, near the American Plaster mills, where all worked. The four men were out hunting. Other Italians who live in the vicinity heard two shots, but no one who saw the shooting can be found. One who heard the shots reported them to the watchman at the mill, and he found the bodies.

Mario Pavoni's left wrist was half shot away, and he was stabbed several times, once back of the ear and twice in the lungs. The lad's throat had been cut from ear to ear, and he was hacked about the breast. Evidently he had been killed as a precaution to dispose of a witness.

Other Italians say Sartori was the man, and deputy sheriffs watched for his return with the other men. They were all arrested and "sweated," but with little result. Sartori says Pavoni ordered them out of the orchard. The younger Iaccaroni says Pavoni told them they might have some of the peaches. All declare there was no fight. Most of them speak little English, and the cross-examination was carried on through interpreters.

Among the Italians it is believed the absence of Pavoni's wife two years ago, when she is said to have run away with a boarder, has something to do with the affair. Pavoni and Sartori are declared to have been enemies. Mrs. Pavoni had been at St. Mary's hospital for some time and became so hysterical when told of the death that she had to be taken back again. She declared Sartori was the man.

FROM DUNDAS.

Burial of an Old Resident—Labor Day Ball Game.

Dundas, Sept. 7.—(Special)—A good citizen, widely known and highly respected, Peter S. Westphal, was laid at rest on Saturday afternoon. Deceased had attained the age of 79 years, and although always frail in frame he was an unusually active man until within a few years of his death, when overtaken with typhoid pneumonia, which caused his death. Deceased was born in the township of Eschewing, Halton county, and lived mostly thereabouts, and around Burlington and Port Nelson until he came to Dundas 32 years ago. Just before coming here he had conducted a bakery in Burlington and he followed the same business for a time after coming to Dundas. Giving up that business, he went into the lumber trade, and he was actually fitted into the business of erecting and selling houses. He erected quite a number of tidy dwellings throughout the town. Deceased married Miss Wharton, living in the vicinity of the Grand River. She predeceased him several years. To them was born one son and four daughters. The son, Robert, went to Australia some years ago and died there. The daughters are Mrs. L. D. Paton and Mrs. Thos. Todd, of Hamilton; Mrs. Wm. Girouard, of Winnipeg; and Mrs. J. R. Murray, of Dundas, with whom he had made his home of late years. Mr. Westphal became acquainted with the late Mr. J. H. Lewis, who, in his early days, when employed as a sailor, been up the canal with his craft, loading lumber. Deceased was a veteran member of the Methodist Church and the Royal Templars, and was a Conservative in politics. Rev. Mr. Harvey conducted the funeral services and the pallbearers were John W. Dickson, Jos. A. Thompson, R. W. Karsh, Wm. Lawson, Richard Stoneman and Peter Reid.

Dundas and Watford played baseball yesterday in the park here. Dundas was late in getting ready, but the game finally started and proved a very keenly contested one. The score at the ninth inning standing 4-4, with Watford having two men on base, when some rulings by Umpire Walker being unsatisfactory to Watford they refused to play longer and the game was brought to a close.

James Cormican was an old Dundas boy, who left the town 27 years ago, before leaving he married a daughter of the late Edward Quinlan, in those days one of the town's best-known citizens. Since their departure he has become an attorney of note in St. Paul, Minn. They are both paying the old home town a visit. The occasion of his coming is in connection with a burglary committed some years ago, the perpetrator of which has recently been arrested in Canada.

King McKeechie and his young wife are visiting his old home town and receiving the hearty handshake from many an old friend.

Mrs. (Rev.) Wm. Chegwinn, of the west, who has for the past two or three months been visiting her mother here and other friends in Ontario, leaves for home to-morrow.

Joseph Hickey, of the Grafton Corporation, London, is paying his native town a visit.

Mrs. Robert Curran, little Miss Mildred Curran and Johnnie and Mrs. Walter Deary are visiting friends in Toronto.

TIGERS LOST JUVENILE SEMI-FINAL GAMES.

On Saturday afternoon the semi-final game between the Hamilton Tigers and Newmarket was played at Victoria Park, before a large crowd, which included both ladies and gentlemen.

The manager of the local club deserves a great deal of credit for the showing the boys put up in this, their first year in the juvenile C. L. A. The Tiger team seemed to have stage fright at times on Saturday, but when they settled down, they played just as good lacrosse as the opposing team.

Kelly, the referee, was very unsatisfactory, and allowed the Newmarket team to get away with a lot of rough playing in the way of tripping and using the short end of the stick. The local team was inexperienced in this kind of play, all their work being done up and above for every one on the field to see. When they started to retaliate the referee benched them sharply. In this way four players were generally gracing the grass, and Newmarket would only have one or two on the side lines.

The first quarter was very closely contested, both teams appearing to be equal. Score was 2-1 in Newmarket's favor. In the second quarter, Newmarket began to show a decided superiority in team play. The Tigers becoming demoralized, as at one time five of their men were off for a slight infraction of the rules and Newmarket players were getting away with tripping and using the short

end of the stick. According to the rules, they should be penalized for fifteen minutes. A couple of the Newmarket players were caught using dirty tactics and were only put off for five minutes. This was the time when Newmarket began to pile in the score, as nearly all the time they had two extra men. At the end of the third quarter, the score was 9-1 in Newmarket's favor. In the last quarter Hamilton, having all their men, began to show that they could play lacrosse, and ran five goals to Newmarket's one, making the total score 10-6 in Newmarket's favor.

The Tigers could hardly expect to beat a team like Newmarket, who without a doubt will land the juvenile championship. The boys on the team have been playing together for years. The Tigers have done well under the circumstances, this being their first year in the C. L. A., and it is quite possible, if they had had a stricter referee, the score would have been closer. In consequence of the game three of the Tigers were laid up and unable to go to Newmarket. Manager Ratelle had to put on three weaker men to play the return game on Labor Day. The score in Newmarket's favor was 9-8 in the first quarter, making a total of 19-8 on the record.

The executive beg to thank the public for its support on Saturday. The team will stick together, and next year, judging from the way the public have turned out, lacrosse will become very popular.

HELD RALLY.

Barton Methodists Ready For the Fall Work.

Rally services were held on Sunday in Barton Street Methodist Church, beginning at 10 a. m., and continuing all day. The large church classes were the first to feel the fresh impulse of the day. This church is one of the strongly emphasized of the district. The five classes and league meeting at 10 o'clock would average an attendance of 30 each. Altogether the services throughout the day were the most successful rally services in the history of the church. The Sunday school, which last year at its height hovered around the 700 mark in attendance, passed well over the 600 line on Sunday. This was considered a great attendance in view of the fact that Monday was a holiday, and many members of the school had gone away. And pastor's Bible class reported 155 present. Mr. Lalond's class of young men was well up to the 100 mark, while the deaconess class of young women crowded very closely half a hundred.

It was expected that Rev. Dr. F. C. Stephenson, founder of the young people's forward movement for missions, would spend the day in this church, but owing to a severe illness he was unable to do so. Rev. J. O. A. Young, native Japanese Methodist minister, who is pursuing a postgraduate class in Toronto University, took his place. Mr. O. delivered three eloquent and impressive addresses. In the morning his theme was "The Mind of Christ." He told how the mind of Christ came to Japan. He referred to the great work done in his Empire by such devoted missionaries as the Canadian Methodist Church as Miss Cartmell, of Hamilton; Drs. Eby, Meacham, Crumney, McArthur and others. The speaker said that the lives of these godly missionaries, more than their words, converted the people of Japan. He paid a splendid tribute to the zeal, meekness, sacrifice and devotion of the Canadian missionaries.

During the Sunday school hour in the afternoon Mr. O. related the story of his own conversion to Christ at the age of 14. He said that it had been his intention to become a physician, but on one day while listening to the reading of the sermon in the morning by a missionary, his attention was arrested. The special passage which resulted in his conversion was this: "Blessed are the pure in heart, for they shall see God." In the evening the congregation was very large. Mr. O. spoke on the spiritual aspiration of the Japanese people. During the pastor, Miss E. Davis gave a short address on the mission study class work, which she is so successfully conducting in Toronto.

The music at all the services was much enjoyed. The large Alexander gospel choir, under the direction of Mr. J. Lewis, was at the service. The Sunday school orchestra, consisting of some 17 pieces, has reached a high degree of efficiency under the leadership of Mr. E. H. Williams. The orchestra assisted at the evening service.

DECORATION.

Union Men's Service at Cemetery on Sunday.

Some 150 representatives of various labor organizations honored their dead members' memory on Sunday by marching from the City Hall to the Cemetery and decorating their graves with flowers.

The men lined up at the City Hall at 3 o'clock, under the marshaling of John T. Laing, of the Bricklayers' and Masons' Union, which was the chief organization represented.

Each man carried a large bouquet of flowers, and on arrival at the cemetery an appropriate service was conducted by Mr. Laing, and a bouquet was put on each departed member's grave.

I. O. G. T.

A social was held last evening in Kennedy Hall, Robert street, by the members of Britannia Lodge, I. O. G. T., in company with Pride of the West Lodge, Toronto, who had taken advantage of the holiday to visit this city. After supper Bro. Black, chief templar of the Toronto lodge, occupied the chair, and a lengthy programme of songs and games was presented, the visitors proving themselves artists on no mean order. At 10 p. m. the members joined in singing the national anthem, and with expressions of good will on all sides the evening was brought to a close.

Amusements

Wonderful, entertaining, laughable and pleasing is the Bennett show this week. Capacity audiences at both performances yesterday enthusiastically applauded every number, even the moving pictures, concluding a bill which, without the assistance of a programme would be a stunner from which to pick the headlines. Miss Gracie Emmett, the clever Irish comedienne, who long ago established her reputation as one of vaudeville's most popular favorites, in her amusing farce, "Mrs. Murphy's Second Husband," is billed as the chief feature.

It is unquestionably one of the best comedy attractions that have been seen here yet. It has an abundance of sparkling dialogue and amusing complications which give Miss Emmett every scope to display her ability. Her portrayal of the determined Irish woman, who marries a second time and insures her husband first so she can not lose on the one hand, is a decidedly clever bit of character work. She is capably supported by a clever company.

Another offering that made a big hit and is sure to prove a big drawing card, especially with women and children, is Silson's Cat Circus. This is easily the cleverest animal act seen here in many months. The tricks performed by the cats are really wonderful, and must be seen to be appreciated. The Silsons themselves are a clever pair and anyone who appreciates perfection in animal training cannot afford to miss their act.

The Keaton family, with a new addition since last seen here, are the same clever entertainers. Their offering is a riot of fun and provided twenty minutes of uninterrupted laughter at a whole performance. Buddy Keaton is a whole show in himself. Daddy Keaton helps a lot and all the little Keatons contribute their share.

Howard Brothers have been seen here before with their clever flying banjo act, but their entertainment has lost none of its charm and they received an enthusiastic welcome. They are excellent entertainers and a goodly number of playing tunes, juggling half a dozen banjos is something worth seeing.

The balance of the bill is of the best. Sidney Baxter does a daring act on the wire with a bicycle, which he rides backwards and forwards without placing his hands on the handle bar. The Silsons, hard workers and great comedians, John D. Gilbert was to appear in a monologue. On account of illness he was replaced by a new act, a bright pair of singing comedienne, who made a substantial hit.

MOUNTAIN THEATRE. In all its history the Mountain Theatre never had as large a matinee as the labor day crowd of yesterday. The evening performance was also well attended. The crowds took immense enjoyment out of the offering of the Silson Brothers Company, which was "Charles's Aunt." This familiar comedy in the hands of Miss Belle Stevenson and her supporting company, was given a fine presentation. As Kitty Verduin, Miss Stevenson sustained her popularity, as did Wm. E. Blake, as Lord Fancourt Babberly, Edward La Renz as Jack, Charles Whitehouse as Charles, Bert S. Deeks as Col. Chesney, Jos. Knapp as Stephen Steppique, Florence Natol as Brasset, Alma Vina as Donna Lucia and Mabel Summers as Amy Steppique. Between the acts specialties were introduced by Mabel Summers and Chas. Whitehouse. Wm. Pett played a xylophone solo, and Wm. McDougall a cornet solo.

OFFERS TO DR. COOK.

Brocklyn, N. Y., Sept. 7.—Percy Williams, the vaudeville manager, has cabled Dr. Cook an offer of \$4000 a week to lecture on his circuit.

A lecture bureau is said to have cabled an offer of \$250,000 for 250 lectures.

MR. GARRETT IN NEW YORK. C. Percival Garratt, organist and choir-master of Central Presbyterian Church, is in New York. While there Mr. Garratt expects to look up all the new music he can, so that the members of his church may enjoy hearing the best compositions by modern composers. Since arriving in New York Mr. Garratt has been offered the position of pianist and accompanist to Miss Eva Mylott, the Australian contralto, on her Canadian tour, beginning next month. It is a handsome offer, and he will accept this very flattering offer, on account of his pressing duties at Central Presbyterian Church.

CLYDE FITCH DEAD.

A cable despatch from Chalon-sur-Marne, of the 4th, says: Clyde Fitch, the American playwright, died at 9.30 this evening. He had been unconscious since 3 o'clock in the afternoon. Death was due to appendicitis, following an operation. Mr. Fitch was stricken with an acute attack while travelling from Germany, and upon his arrival here underwent an operation at the hands of Dr. Aneur. The patient yesterday showed signs of improvement, but suffered a relapse last night. After marked delirium he lapsed into unconsciousness about 3 in the afternoon.

Clyde Fitch, the most prolific of younger American dramatists, was born at Elmira, N. Y., 1865, of English ancestors who settled in Connecticut early in the 17th century. Mr. Fitch graduated at Amherst in 1886. He early evinced an interest in literature, was an untiring amateur actor, but nothing from his pen found any prominence on the boards until the production of "Beau Brummell" in 1890 by the late Richard Mansfield. Thereafter the plays came two and sometimes three to the year. Among the best known are: "Nathan Dale," "The Cowboy and the Lady," "Barbara Frietschie," "Sappho" (from the French), "The Climbers," "The Girl With the Green Eyes," "Her Great Match," and latterly "Girls," "The Blue Mouse" (from the German), and "The Happy Marriage."

Forty armed Fraser River fish pirates on eight gasoline fishing boats swooped down on the Milligan and Jaisell traps of the Pacific-American Fisheries Company at Point Roberts, Wash., within a mile of the international boundary line, held up the watchman with rifles and baited out \$10,000 worth of sockeye salmon. These they loaded into their boats and took back across the boundary line.

Sales Doubling Every Six Months

Wonderful Demand for a Wonderful Remedy.

During the past few years, the sales of "Fruit-a-tives" have doubled every six months. For the six months from January to July of this year, the sales of this popular medicine were more than twice greater than for any similar period since "Fruit-a-tives" was introduced to the public.

The National Drug & Chemical Company of Canada, Limited, the largest wholesale drug house in the world—Lymans, Limited, of Montreal—and Lymans Brothers, of Toronto—are buying "Fruit-a-tives" in 100 gross lots, 100 gross mean 14,400 boxes, which retail for \$7,200,000. This gives some idea of the steady demand for these wonderful fruit liver tablets.

It is safe to say that "Fruit-a-tives" is on sale in every drug store and in departmental stores and general stores carrying medicine throughout the Dominion. Nor is the sale of "Fruit-a-tives" confined to Canada. In many parts of the United States "Fruit-a-tives" is the standard family medicine and hardly a day passes that the Fruit-a-tives Company does not receive prepaid orders from our neighbors over the line.

The many testimonials, which have been published in the leading papers, are the most convincing evidence of the great value of "Fruit-a-tives."

WAS HIS WIFE.

Physician Tells Friend to Shoot a Supposed Burglar.

Woman Instantly Killed by Two Shots in Darkness.

Charleston, S. C., Sept. 5.—Mistaking her for a burglar, William A. Avant, a prominent planter of Georgetown County, last night shot dead Mrs. C. C. Bigham, who had accompanied her husband, a physician of Harpers, a small town in the same county, on a professional visit to Avant's home, Sunnyside plantation, on Murrell's Inlet.

Dr. Bigham and Mr. Avant were sitting on the front porch of Avant's home after supper when they saw in the darkness a figure pass the house and go toward a nearby creek. Not being answered when they hailed, they got a shotgun and followed. They saw the figure apparently crouching near the creek bank and, hearing no reply when they called, Avant asked Dr. Bigham what he should do.

"Shoot it," said Bigham, it is alleged, and Avant fired both barrels at close range. Running back to the house, they procured a light and returned to the creek bank to find Mrs. Bigham stretched there dead, the contents of both barrels having taken effect in her back.

Avant carried news to Georgetown and accompanied the deputy sheriff and coroner back to Morrell's Inlet.
