Groping Their Way Back Decoying Ve It is expected that navigation, on the St. Lawrence will open earlier this season than for some years. There is no ise bridge at Cape Ronge, and the ice is now beginning to break up. The twelfth child was born to Montreal's deputy harbor master, Cast. Bourases, the other day. He has claimed from the government the hundred acres of land to which he is now entitled. Heat and his congregation are very high church. He has introduced the service of the Stations of the Cross, and (conducts it as in the Catholic churches during Lent. At each station he reads a description of the event represented, after which he recites the Our Father, the Hail Mary and the Gloris. While moving from station to sta-"Father" Brown is the rector of
