Union With Canad .

The London Times of the 11th, in

an article on Newfoundland says that the negotiations looking to a union with Canada will be followed in London with sympathetic interest. Canada, the paper adds, can assume the responsibility for Newfoundland's Railway service without just debt without creating the awkward cause. If found on investigation precedent that Great Britain would create by similar action. To enter

the Dominion is a step forward, both in power and importance, which New-foundland would have been well advised to have taken in the days of greatest prosperity. Just now she is to be heartily congratulated if such a way shall be opened out of her mis-fortunes. 'I'ne details of the French

hore question can be discussed when Canada's readiness to federate shall be assured. In view of the possibility of the elections changing the govern-
