Some details of the methods Father Drum On The

Psalter

Before the usual good attendance, in the Lecture Hall of the

subject was "the Great Anthology of Hebrew Poetic Thought." This great anthology is, of ourse, the Psalter. The lecturer s not a higher but a lower critic

The lower critic is a textual critic. The textual critic strives to find out what the original text of the base a grouch—to add to your Bible really was; the higher discontent and get busy at critic tells us what he thinks the something helpful to yourself and original text of the Bible should your neighbor. have been. What the text of the Psalter might, could, would or should have been, if this that or Pothier the other higher critic had been the inspired redactor, is a matter of only passing interest. What the original text of the Psalter really was, is a matter of highest nterest in Biblical interpretation. The Hebrew text of the Psalter is in a condition that is textually bad enough. Why make worse by mere fancy-conjectures? Bad though its condition be, the

Aiblinger Pothier Hebrew text gives us a great deal to work upon: it is substantially the original text. The In freedom and sureness, and variants between the stereotyped
