It will be remembered that an attempt over the river to give Palmer a good licking. Witness and prisoner returned to Sarnia, when they were arrested. After

got out to go to Larry McFarlane and tell him to get his uncle down the river to claim the cartridge and say that he (the prisoner) was just bringing it up for He also told witness that he threw the caps away when he got out of the cab in front of the jail. Prisoner said the caps were rolled up in a piece of paper. Witness saw Detective Rogers pick up

the caps. At this juncture Detective Bogers pro duced the box containing the dynamite cartridges, which created quite a sensa-tion. Witness identified the tox as the one which Johnson gave to Hand before

leaving Petrolea. Joseph E. Rogers, Ontario Govern-ment detective, indentified the box produced in rout as the same which he found in hands of prisoner. It contain-ed two dynamite catridges and a piece of fuse packed in sawdust. The detective then told how he found the three detona tors.

John G. Johnson, the hotel keeper in Petrolea, was brought to court by Inspec-tor Palmer. Johnson said the prisoner Hand was interested in the hotel which he ran. Hand and Armstrong (Detective Greer) were at his hotel on Friday. Wit-ness admitted that Hand had got two cartridges from him ; he saw Hand take them ; these cartridges were packed in sawdust in a cigar box ; there was also a piece of fuse in the box which Hand got; had dynamite himself, but these parti-cular cartridges were bought from Mr R. R. Bradley, a manufacturer in Petrolea, for the purpose of blowing up stumps.
