BEAVER

"BEAVER FLOUR" is the unfailing friend
of the housewife. It saves her the trouble of
keeping two kinds of flour—one for bread and
another for pastry. Being a perfect blend
of Manitoba Spring wheat and Ontario Fall
wheat, it gives to bread the rich, nutritious
properties of the former and the lighter
qualities of the latter, making a large white
loaf of delicate texture and exquisite flavor.
Pastry, biscuits and cakes, made with
BEAVER FLOUR cannot be excelled.

A SIX YEARS TEST.

I tried the SOLIGNUM you sent me some

satisfactory. The timber was only white deal, but I
find it is as sound to-day as when it was put up.
