1915 Models in Baby Carriages

Fashion varies, even in Baby Carriages, as our recent shipment plainly shows. We have just received a quantity of 1915 Models and they have several improvements on those of last year.

We have Runabouts, Go-Carts and Pull-man's in Fancy Wood and Cane, all well hung on tested springs; upholstered in Rep. Leather Cloth, Corduroy and Broadcloth, and all remarkably well-built and perfectly finished. For comfort, beauty of design, quality of workmanship and reasonableness of price, you cannot do better than get Baby her new Carriage at the

IT was no trouble at all and took me a very short time. You see, anyone can apply it.

I simply gave my dealer the dimensions of the cottage and he sent me up enough bundles of this new material to cover the walls and ceilings—I did the rest with hammer, nails and saw.

It cost me a great deal less than lath and plaster, and there was no dirt and mess or delay of drying-out.

NEPONSET WALL BOARD comes in sheets, all decorated; 7 to 10 feet long, and to fit across standard studding. It is ideal for unfinished rooms in houses, camps, garages, and for partitions anywhere—makes wonderfully attractive interiors. Surfaces waterproofed.

House Cleaning.

The annual return of this distressing and most contagious condition is now near at hand. What can be done towards reducing its horrors to suffering manhood? One thing should occur to you, that is to see that those books that are piled up in back rooms, on tables and mantels and spotted by exposure should be housed in dustless, elastic, sectional, economical book-cases of the famous

Economy in Dress!

Any economy in clothing commensurate with appearance commends itself as being desirable. This is a subject of actual interest; because how to dress neatly and tastefully and economize is a problem which confronts most of us at some time or another.

But UNGAR'S has solved this problem most satisfactorily. The process of Dry Cleaning and Dyeing enables a man or woman to substantially reduce the cost of dressing, without sacrifice in the way of appearance.

The Eastern Trust Company.

A few reasons why an estate can be better administered by the Eastern Trust Company than by a personal executor or administrator:—

1. The Company affords the estate absolute security; it has a paid-up capital of \$331,000.00, and a reserve fund of \$229,300.00.

2. It has a long experience in the work of administering estates; it is incorporated for this business of acting as a trustee, and, unlike many other trust companies, it does no other.

3. Its existence is perpetual. Your estate, in the event of the death of a personal executor or administrator, must look around for a substitute, and the work of administration is impeded during that time, and the new executor is unfamiliar with the policy of his predecessor, and confusion results. This company's existence is perpetual, and there is a continuity of policy in its administration that the death of its officers does not break.

4. It possesses the confidence of governments, universities and prominent charities and administers their funds.

5. A number of other advantages which will appear in due course.

Within the next few weeks you are going to buy a new Spring Suit—that's certain. Perhaps to-day, perhaps to-morrow, perhaps in a month—but you're going to buy it.

We think you ought to know why it's wise to "Do it now." The best reason is that our stocks are complete—you're bound to get more style satisfaction out of a broad choice than a narrow one—you get the broad choice now—you may not get it later.

This is why we invite your inspection of the stylish patterns now on hand.
