FOR SALE.

Valuable Freehold Timber and Farm Land. At the office of the undersigned, on Thursday next, 24th inst., at 12 o'clock noon, that large piece of land situate at Maher's Sliding, on the Reid Newfoundland Railway, and being only 3 miles from Brigus Junction, belonging to the Estate of the late Sir W. V. Whiteway.

This splendid tract of land comprises 8 square miles—4 of which being on each side of the track—and as the railway runs through the centre, is easy of access, and has some splendid stretches of birches and spruce thereon—the birches on one side, and the spruce and fir on the other.

It is also an ideal spot for farming, and there would be no trouble experienced in loading produce, as there is a siding where cars can be loaded at ease.

Another desirable feature in connection with the property is that the party buying same would be the SOLE owner of all waters on the land, thereby excluding all fishing and shooting over same without license. There is good fishing in the ponds and runs which abound on same.

Above property will be sold in two lots if so desired.
