IF YOU READ THIS LIKE THIS YOU NEED

YOU are the person I'm talking to. YOU sometimes see the type jump from the page. YOU sometimes see the lines of type go uphill, then down. YOU sometimes see a blurred spot on your newspaper when you know they are words to be read. YOU know very well that it isn't the biliousness that you blame for all this. YOU know positively that it is your eyes. TO correct all this trouble you are welcome to consult with me—free of charge any time between 10 a.m. and 6 p.m. in the day.

### YOUR TEETH—

PYORRHEA AGAIN. Pyorrhea is so insidious that we want to repeat again and again our former warnings against it. It is not painful as a rule, and that very fact makes it all the more dangerous. Watch for those bleeding gums, they are your warnings. Do not give your body a chance to absorb poisons that come from bad teeth or diseased gums. Anything from a headache to a serious illness may result from your neglect. Pyorrhea is a dreadful disease.
