Japan's God of Wealth.

Japan's "Seven Gods of Good Luck" re a clan of deities from which hilosophy, religion and superstition ney comprise, to give them their ot together from many incom-us sources—Japanese, Shintoism

or these divinities has been reared on. Their union in one group is the result of nothing more recondite than popular ignorance and confusion of ideas. They themselves never chose to be thus united. They reign in an ideal state, for they have no king or even spokesman among them. Colstivals and each can boast of an en-

strange to say "a few," for of all the gods in the cycle of Japanese mythol-ogy, in this material age, Dalkoku, the god of wealth, should find gre favor! But perhaps he has not pro-himself to be gracious to suppliar Perhaps efficacious influences have een felt in result of worship at

Old Dick the Faithful.

s he looked up from signing his of Ezra's church had just brought the paper over to give Ezra the honor

scool points of both. Makhala (Sanscrit) was the original name by which
he was known in India, where he was
feared as god of destruction. His imhad not played square. Of course it

reasures of all sorts. While rate are out of his stall that very morning. The buyer had looked Old Dick over the is represented with one on either and paid Esra one hundred dollars. —a horse is just a horse—anyway Old Dick has outlived his usefulness; it

Yet that thought did not appease Ezra's conscience. Old Dick the faith-ful, and then Ezra remembered all. of those years gone by; how he had homesteaded the old place, saved his money and bought Old Dick, how Dick without the other in close propinquity. Although Diakoku is not a god
to whose shrine worshippers flock, his
popularity is told by the number of
metallic images of his divinty which
struggled along, and then he had struggled along, and then he had bought his second horse and with Old Dick's help had broken the first sod. Shell we test this jovial little man's powers? Go to his shrine and beseech him to command a shower of gold, or carry his image in our pocket and see if we find it gold-lined by night?

Dick's help had broken the first sod. Dick dragged the logs up from the creek to build the cabin and the barns. Dick helped to haul the first load of grain to town, and then, when he bought the new buggy, didn't he drive bought the new buggy, didn't he drive

> going. He replied. "Just out to the big storm, when mother was taken sick and the nearest neighbor was twelve miles distant, and you threw a blanket on Old Dick and he carried you safely through one of the worst storms you had ever experienced. The doctor came back with you (just in the nick of time, he said) as he told you that you were the father of twins, a boy and a girl. Didn't you go out to the barn and throw your arms around Old Dick's neck and cry for joy, and didn't Old Dick rup his soft nose on your cheek, trying to make you understand that he did it all for you!
