Mrs. A. A. V. Halterman writes of Dr. F. G. Kinsman's Heart Tablets, etc.:
COULD NOT GO ACROSS ROOM, BUT NOW ABLE TO WALK SIX MILES.

I cannot express to you my thanks for your Heart Tablets as I had given up all hope of ever getting well. I had heart trouble for fifteen years and would have had spells so that I would have to sit up for five or six weeks at a time, only getting two hours' rest out of forty-eight. I had smothering spells and would have to be fanned for hours at a time, and the pain at my heart was so severe that I would think that every minute would be my last. My heart would beat so fast that I could not count the beats, and would then stop altogether and my breath would become so short that I would sink away in fainting spells. Many different physicians treated me, and one specialist stated that I had the worst affected heart of any he had ever treated and that it was impossible for me to be cured. I was not able to walk across my room on account of my heart, but am now able to go six miles on one walk. I was not expected to live by any of my friends, and they now all ask me: "What did you take to cure yourself?" I am looking well, and my heart never troubles me and it has been six years since I took the Tablets. My son was taken with the grip and was not able to work for five weeks. His heart troubled him so I advised the use of your Heart Tablets, and in three days he was well and has not since lost a day's work. I shall do all I can to recommend your medicine.

Above Heart Tablets are sold at \$1.00 per box at all Drug Stores, or write to P. O. Box 913, St. John's for further information. J,tu,tf

A SONG!

That is what the average "talking machine" is sold for when auctioned these days. Not so the NEW EDISON, as was proved at a recent auction sale in St. John's. If you wish to learn the reason, call at 178 Water Street and hear the difference between one of America's best and most advertised talking machines and a NEW EDISON, The Phonograph with a Soul. It pays to get the Best.
