Monroe Candidates at Ropewalk

ENTHUSIASTIC MEETING HELD.

The Monroe candidates for St. John's West, Crosbie, Linegar and Browne, visited Mundy Pond section last night, and held a most successful meeting in the Club House at the pond. The residents turned out en masse and greeted their coming with cheering and volleys of musketry.

CHAIRMAN APPOINTED.

When the meeting opened the hall was crowded to the doors with men and women, and the various addresses were punctuated with great applause. Mr. Mat Murphy was moved to the chair. He was sorry that Sir Michael Cashin was not with them again, owing to illness, and that Mr. Hunt found it impossible to again contest the district owing to business matters. However, he felt that in Crosbie, Linegar and Browne, were three representatives worthy of the best traditions of the district.

A SQUARE DEAL TO ALL.

Mr. Linegar was the first speaker. Outlining the Monroe policy of "Clean up, keep clean, and a square deal to all," the speaker said they are appealing to the country for better conditions than they have been getting for the past five years, owing to the bungling and mismanagement of the Coaker controlled administrations. If the country is to be saved then it will have to defeat the Hickman combination. St. John's West is now in a position in which she never was before, it is without an Executive seat, in fact in the whole of St. John's there is only one Executive seat and that has been given to a man who is going to be defeated. On the other hand, Bonavista has been given two seats in the Executive which of itself is sufficient proof that the real control of the Government is in the hands of Sir William Coaker. The speaker concluded his remarks with an appeal for a straight ticket vote for Crosbie, Linegar and Browne.

THE MENACE OF COAKERISM.

Sir John Crosbie followed, expressing his pleasure at meeting the men of the Ropewalk, under the leadership of Mr. W. S. Monroe, who is so well known to his hearers. Sir John then dealt with the menace of Coakerism, the disastrous fish regulations, and the evil effects on the people of the country.

He also referred to the increased taxation and showed why it is that living in the country is so difficult. The attacks made by Dr. Mosdell and the Advocate, on the speaker, were dealt with, and proved to be without foundation. The Hickman Manifesto was also referred to and Sir John finished his telling speech with an earnest appeal for a return of the Monroe Party who alone can now save the country from again having that bitter experience which it had on that memorable "Black Monday."

MONROE POLICY BEST.

Mr. W. J. Browne also received a great ovation. Mr. Browne's reputation as a speaker has now travelled from one end of the district to the other and those present, who expected something worth while, were not disappointed. The speaker dealt with the issues at stake in a very capable manner and left no doubt in the minds of his hearers that Monroe's policy is the best one for the country.

By the enthusiastic reception given the speakers it can be judged that the residents of this portion of the District are fully determined to put an end to misrule and corruption, by a straight ticket vote for Crosbie, Linegar and Browne.

"A Woman of No Importance"

SPLENDID SHOW AT THE MAJESTIC DELIGHTS BUMPER HOUSE.

The Majestic Theatre was again filled to capacity last night when Misses McShane and Habel were greeted with rounds of applause after each item of their concert numbers. The violin selections were repeatedly applauded, the artists having to respond to encores time and again. The feature "A Woman of No Importance" is without exception the best drama of its kind sent to this city. The story is already set forth in Oscar Wilde's most popular work. As already intimated it is a feature specially set forth for grown-ups. It will not be shown this afternoon, but will be exhibited for the last time to-night when the same bill will be repeated.

Expensive Birthday Party

WU CHANG, China—(Can. Press)—One hundred and fifty thousand dollars was spent on the birthday celebrations of Governor Hsiao Yao-nan recently. More than 10,000 guests shared the Governor's hospitality, each taking away a silver medal as a memento of the occasion. Among magnificent presents made to the Governor were a set of the "Eight Immortals," carved out of a kind of precious stone known in China as Yu Fan. Other sets of the immortals were given in gold and silver, and more than 1,000 congratulatory scrolls were presented.

Enthusiastic Meeting at Flatrock

MONROE CANDIDATES ACCLAIMED.

The Liberal-Conservative candidates for St. John's East, Messrs. Higgins, Fox and Vinicombe, held a most enthusiastic meeting at Flatrock last night.

VOTERS TURN OUT EN MASSE.

At 9.30 the voters from the entire harbour of Flatrock had gathered in the school house. A prominent and popular resident of the place, in the person of Mr. Thomas Martin, was unanimously elected chairman, and in a very capable enthusiastic manner conducted the meeting. In turn the three candidates Messrs. Higgins, Fox and Vinicombe were called upon and in stirring addresses they dwelt upon the cause and issue of the present election. The political events of recent days were described.

MAN TO MAN PROMISES OF MONROE MANIFESTO.

The insecure prospects of anything better resulting from an administration steeped with the lust of squandering and abuse of public utilities were shown up. The only hope of righting our affairs of that of introducing honestly again into our governments, of cleaning the entire fabric of public policies and service, and of offering the people of Newfoundland a possible and fair opportunity of making the results of their labours living in the necessary means of livelihood and adequate comforts, lay in the man-to-man promises of the Monroe manifesto. With honest men of the true Newfoundland type, W. S. Monroe is the only man in the country, who can without sacrificing his principles effect this much-wanted change for the better.

This historic settlement has ever been foremost on the Liberal side in the fight for the welfare and prosperity of our island home. For the third successive time the fighting trio have been accorded the whole-hearted approval of this section of the district, but last night's meeting goes without contradiction as being the most enthusiastic and successful ever held there.

Drive Carefully

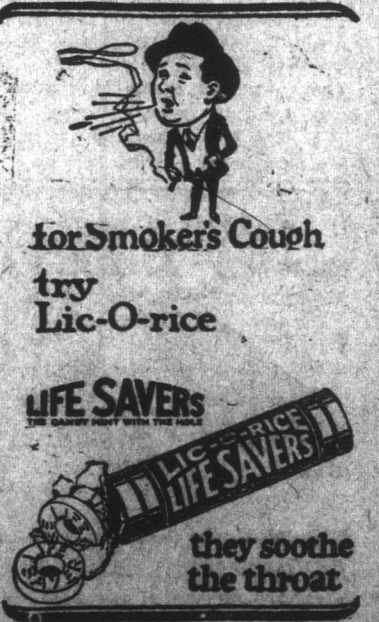

R.A.C. PRESIDENT ADDRESSES MONTHLY MEETING OF CLUB.

Speaking at the regular monthly meeting of the Royal Automobile Club of Canada recently Theodore G. Morgan called attention to the need of careful driving.

He said: "The sooner we can instill into the minds of the drivers of all classes of vehicles using our civic thoroughfares the importance of following, not only the traffic regulations, both provincial and municipal, but of using caution and common sense, the better for all concerned. We must also have the co-operation of the pedestrian, however. Care with no lights at all, one head light only in operation, tail-light out, driving on the wrong side of the street, shooting without slowing down; cars operated by those with no license or by minors, and other offences, are being checked up by the police, and in this connection the club is appreciative of the good work being performed by Chief Belanger and his traffic staff. I do not think," continued Mr. Morgan, "that the infractions are being indulged in by any of our club members, because our members are constantly advised in these matters, and I think motorists in general will be well advised to exercise special caution from now on, as the police department is on the alert detecting all infringements of the traffic laws for public protection."

Your grocer will be glad to recommend Crisco for frying fresh codfish. The chances are he is using it in his own home and knows how good Crisco fried fish tastes.—advrt.

Rotary Weekly Luncheon

REV. J. B. ELLIOTT SPEAKS ON
BOY LIFE.

Rev. J. B. Elliott, Rector of St. Thomas's, spoke at the Rotary Club weekly dinner at Wood's West End Restaurant, on Tuesday. His subject "The Modern Boy as a True Citizen" was given careful thought and was expressed in a manner that afforded considerable food for reflection, and consideration. Mr. Elliott expressed thought that the training of a boy started with the origin and principles of his existence. He should be trained as to what life and the human being is; his relation to other human beings, and ample fundamentals of society—its work and duties in relation to individuals and groups. Boys needed leadership—some one to inspire them, to teach, to guide them along the channels that would develop initiative, self reliance and assertiveness. The boy is naturally care free and reckless. Rev. Elliott thought that knowledge was necessary if the boy was to develop, but it was not the knowledge of a kind associated with cramming at examination. A practical working knowledge of nature, citizenship and life, instilled in a manner which would be understood would be of very great benefit to, and much appreciated by, the boy, and if these problems were tackled seriously by Rotarians generally, he had no doubt but that future years would show good results. He was sure that the Rotary Club would lend every effort towards the general improvement and education of the boys of this city, excellent work had already been done and plans for the future give promise of bigger achievements. Mr. Elliott was accorded a hearty vote of thanks. Amongst the guests were Mr. L. Macpherson, Rev. Mr. Johnson, Mr. J. A. Young, Bank of Montreal, Mr. L. Cashin, Capt. Bartlett, Mr. M. Costello, Rev. Mr. Nichol, Mr. Fred Wells, Mr. Cooper of Grand Falls and Dr. W. Roberts.
