CALGARY CLUB GETS GOOD BALL GROUNDS

Five Acres Just West of The Mission Bridge And Very Close to The Street Car Line

Yesterday the directors of the Calgary Baseball club completed arrangements for grounds for the season. They are just west of the Mission bridge. The directors secured five acres, which has been leased from Mr. McHugh on a five year term.

Work will be commenced on the grounds next Monday. Fences, grand stand and bleachers at a cost of \$4,000 will be erected and the diamond laid off, and when completed it will be one of the best grounds on the circuit.

Half the money has now been subscribed, and it is now necessary to have the support of the citizens to assist in selling the balance of the stock. The club is capitalized for \$10,000. Sixty per cent of this is required immediately, and the balance if required can be called on at 10 per cent, per call on a notice of thirty days.

The directors consider this lease a good investment, as it will be fitted up as a good athletic ground, to be used for lacrosse, football and other athletic purposes.

Felix McHugh has given the club a very generous deal. The lease calls for five years, with privileges of renewing when the lease expires.

"OLD HOSS" FIDLER JOINS IN WITH THE EQUIPMENTS

The Edmonton Amateurs Form Baseball League

Edmonton, April 5.—The annual meeting of the city base ball league was held in the Y.M.C.A. parlors last night. The following teams were represented: Norwood, Woodbine, Y.M.C.A., I.L.C.A., and Woodlines.

Fidler reported that he had interviewed the management of the base ball grounds. They had expressed their willingness to let the league use the diamond if their schedule can be arranged so that the games will be played while the professional team is out of the city.

The secretary informed the meeting that he had learned that Taylor would also be in good shape for playing this summer.

Following are the officers elected:— President, Chas. E. Taylor; Hon. vice president, W. W. Ward; president, Alf. Fidler; vice president, G. H. McGill; secretary treasurer, W. T. Mathews.

HISELER TO MANAGE CLARESHOLM TEAM

Local Catcher Will Have Team in The Southern Alberta League—Will Take up Work Very Soon

Jimmy Hiseiler the well known local baseball player, who caught a number of games for the Calgary professional team last season in the Western Canada league, will play for Clareholm this summer in the Southern Alberta league.

Hiseiler is going to manage the team, and will be the main squeeze in landing the pennant for his club. Clareholm is in the league with Macleod, Staveley and Nanton, and from reports this league will be very fast.

Hiseiler will go south about the middle of the month, when he will start and get his team together.

BRANDON WILL BE STRONG DEFENDER IN THE STRIFE

Some of The Speedy Ones Representing That Town

Brandon, April 5.—Brandon will have a team in the Western Canada baseball league this year that will be more than a mere factor in the struggle for the pennant. In a communication to the Sun today, Bill Morrow, the Brandon manager, states he has signed several fast players and has lines on two or three other men who will, if secured, be faster than anything ever seen up in this country before. All of the men signed by Manager Morrow were the stars in semi-professional baseball around Chicago last season. The men who have been signed so far are: Palmer McIntyre, first baseman; he played with Galena, Ill., last season and this year had offers from two clubs in the Three "T" League and one of the clubs in Southern Michigan league.

D. W. Billing, shortstop; played in semi-pro ball in Minnesota last season and is considered one of the surest and safest hitters in the minor leagues.

H. E. Hockman, second baseman; has had considerable experience in the Minnesota and Illinois leagues; is a good batter and fast on bases.

L. D. Hartford, third baseman; was caught by five clubs, but has signed with the Brandon team. He is very fast on bases and a good hitter.

John Cooper, catcher; was purchased from Rockford in the Illinois Wisconsin league. He is considered one of the surest throwers to bases, and Manager Morrow thinks he will make good company next season.

S. A. O'Connor, outfielder; is a product of the Twilight League, and is a fast man on bases, a good hitter and knows every point of the game.

J. Walter McGarry, infielder; is the youngest man on the team, but Manager Morrow thinks he will make good and has decided to give him a trial.

In addition to the new players signed, Brandon still holds pitchers Heinrick, Woods and Cummings, and catcher Stanley. Single and Rogers will be released. Several new pitchers are also in view, and Manager Morrow

DEACON WILL GO TO THE COAST (Edmonton Exchange)

The Deacon received a letter this morning from C. H. Treasurer, Brandon's manager last year. It is written from Spokane and is in respect to a catcher for the Edmonton team this year. The Deacon stated that he was not the man Copeland that is signed from Chicago, and that he cannot afford to take any chances in handling a weak man for this position. Treasurer has a couple of men that he thinks will suit the Deacon, and rather than have any trouble, he will go to the Coast and work these men out and see what they are like. He will leave the city some time this week.
