book, "With the Boer Forces," has been prohibited in the Worcester dis-

RATS HAVE THE PLAGUE. Cape Town, April 25. - Up to date there have been 480 cases of the plague and 195 deaths. There have been 13,-900 inoculations. It is feared that all the rats from East London to the Orange

River are infected with the plague. MARKHAM'S CHARGES. London, April 26. — Counsel for Arthus B. Markham, M.P., have notified the lawyers representing Wernher, Beit & Co., that he is prepared to justify publicly the statement which he made last month in the House of Commons to the effect that the Transvaal concession commission was made up of persons affiliated with several of the great South African companies, and haracterized Mr. Beit's firm as "nothing more or less than a gang of common thieves and swindlers," so soon as the suit brought against him by Wernher, Beit & Co. was withdrawn, thus affording the basis for a suit which would not be stopped by the immunities afforded by a speech in parlia-

### At Cape Town.

ARRIVAL OF CANADIANS FOR

"B.-P." Montreal, Que., April 25.-The Elder-Dempster Company received a cable this afternoon stating that the transpot Montford, with the Canadians who lary, reached Cape Town today at 3 o'clock. The cable said all of the men

AN ALL-DAY FIGHT. Cape Town, April 25.—A dispatch from Dordrecht, Cape Colony, says the yeomanry, under Col. Wodehouse, and the Dordrecht Volunteer Guard were engaged all day yesterday with the Boer invaders in the vicinity or Dordrecht. When the British commenced firing at a distance of 200 yards the Boers fled in confusion, abandoning a number of horses and a quantity of Later advices from Dordrecht are to incr the effect that the Boer commando was of exports and imports, as it was deemed advisable to include that branch of the work in the item, and not in the inside service. The increase in the expenditure was a matter for rejoicing rather than regret, as indicating a large expansion in trade and increased prosperity. The revenue had increased between 1894-5, the last year of Mr. Wallace's administration of the customs department, and last year last year of Mr. Wallace's administration of the customs department, and last year by 61.4 per cent, whereas the increase in expenditure was only 16.7 per cent. In other words, had he expended for collection the same proportion of the revenue as Mr. Wallace had, the expenditure would have been \$410,000 greater than it was. During the same period the customs entries inwards and outwards in Ontario alone had more than doubled.

All the items for customs were passed All the items for customs were passed except one, which was held over for discussion, and the house adjourned at 1:10

# MINISTRY WILL STICK TO COAL TAX

British Cabinet Make Export Duty a Party Question.

Budget Resolutions Fass the House of Commons-Finance Bill Held Over.

Story of Attempt on King Charles' Life Denied - Earthquake in Italy.

New York, April 26.-The British ministry has decided to make the export duty on coal proposed in the budget a party question, says the Tribune's London correspondent. Sir legally separated. Michael Hicks-Beach has given warning that the tax will not be abandoned. Mr. Balfour is equally persistent and the ministry is clearly determined to stand or fall on the coal

The government is helped by dispatches from America stating that the duty does not offer a sufficient topp STRATHOONA'S TRILLING margin for enlarging the exports of

coal from the United States.

London, April 26.—The House of Commons had a dull sitting last evening, devoted to the discussion and formal passing of the budget resolutions. The Irish members made an ineffectual attempt to get the tea duty reduced from six pence to four pence. The proposal was rejected by a vote of 221 to 140. A similar fate was reserved for the attempt of Mr. William in a London paper: Redmond to get Ireland exempted substantial hall to itself. The following captures have been a great strike of miners. The second reading of the finance bill has been postponed for a fortand a considerable number of wagons. night, and the Liberal party will util-A 4.7 inch gun taken at Helvetia has ize the delay to the utmost in working been found destroyed. ing, and then, if not before, the chan-

London, April 26.-Advices have been Twenty Affidavits Produced to Disreceived here that the peninsular and oriental steamer Sobraon, which left Shanghai, homeward bound, April 23, went ashore at Tong Ying in a dense fog on April 24. Her mails and passengers were landed by Chinese junks Acting Minister of Labor Defines Work at Foo Chow. She is reported to be in a critical position.

SENSATIONAL STORY SPOILED. Bucharest, April 26.-There is no truth in the reports that an attempt has been made upon the life of King Charles. A lunatic recently stones at a window on the gound floor of the palace, but he was promptly arrested and has been placed in an

asylum. the statement of Mr. Monk three weeks THE SHAH'S SICKNESS. Berlin, April 26.—The Cologne Gazette's St. Petersburg correspondent telegraph that the condition of the Shah of Persia is becoming worse. His disease is assuming more acute form. GLASS PAVEMENT.

The municipality of Paris is experienting with glass paving material. A section of Rue du Havre has been laid with it as a test. It is pure glass, subjected to a process called devitrifiress was made with militia, labor and customs estimates. All of the customs cation. The result is a hard, smooth, items were passed, except one, which opaque, non-porus substance, does not retain damp or odors. It possesses remarkable resistance. inventors claim it combines the solid-This evening the estimates of the labor department wer taken up. Mr. Sutherland, acting minister of labor, stated that during the past slx months some 45 complaints of infringement of the alien labor law had been investigated, and upwards of 50 persons had been deported. The fair-wave branch of the ity of granite with the smoothness of asphalt. It is not affected by heat or cold. It, however, is expensive, costing from 9 to 12 francs per square meter. Another drawback is its exdeported. The fair-wage branch of the department had investigated and pre-

treme resonance. DR. TANNER'S FUNERAL. The remains of Dr. Charles K. D. Tanner were interred Thursday. About a dozen persons were present. The Naput in operation with satisfactory results in three important cases, when necessity arose, and much suffering on the part of the operatives was avoided. Mr. Sutherland gave a comprehensive review of the work carried on in connection with the Labor Gazette. The three instances in which voluntary concilation by the department was effective were the Valleyfield strike, where the militia was called out, and where within 24 hours after the concilation act was set in motion an amicable arrangement was effected; the core-makers of the Malleable Iron Works, Oshawa, in which an appeal was made by the mayor of the town, and within a few hours the grievanceswere adjusted and the employes resumed work, and tionalists were entirely excluded from the ceremony, owing to a disagreement with Dr. Tanner's sister. latter privately advanced the ceretwo hours, leaving the Nationalists, who assembled in great numbers, to discover that the interment was long over. Numbers later visited the grave, on which wreaths from Mr. Thomas Sexton and others were deposited.

STEAMER IN FLAMES. Notwithstanding the quantities of water poured into the British steamer Ontario, from Hull, April 18, for Boston, which put back here with her

cargo burning, the continued fierce-

ness of the fire prevents the gangs of

men from entering the hold. Two hun-

dred tons of coal, divided from the cargo only by a wooden partition, are considered to be a grave danger. Upon the customs estimates Mr. Clarke Wallace complained that the expenditure had increased from \$909,000, when the Conservative government left office, to an estimated expenditure next year of \$1,121,365, for which there was not reasonable explanation.

Mr. Paterson, in reply, said that of an increase of \$51,000 this year, \$40,000 was for the officers to compile the statistics BRINGING 2,260 PASSENGERS. Liverpool, April 26.—The Cunard liner Saxonia left Liverpool with 2,260 passengers for Boston—the largest number ever shipped in one vessel crossing the Atlantic. Many of the
