CHICAGO.

Chicago, Aug. 12.—Today was a bull day in both grain and provisions, and everything went up. The government drop report, which was a disappointment to the bears, was the cause of the upturn. Shorts were frightened, and covered freely in everything. Sellers were scarce in wheat and in spite of good corn conditions the brisk demand for wheat was higher, especially in corn, sent wheat up 2c and corn 25c. At the close September wheat was 13c to 14c up, September corn 10c to 11c advanced. Provisions closed unchanged to 30c higher. Local receipts of wheat were 400 cars, none of contract grade; Minneapolis and Duluth reported 100 cars, making a total of 700 last week and 600 a year ago. Primary receipts were 1,200 cars, 1,000 cars with 900,000 bu. last year. Seaboard clearances in wheat and flour equaled 300,000 bu. Estimated receipts for the week: Wheat, 127 cars; corn, 27 cars; oats, 205 cars; hogs, 22,000 head.
