at last he suggested to the father that the lad be given a good whaling. The mother objected to the father dealing

### VERDICT OF \$500 GIVEN AGAINST THE STREET RAILWAY COMPANY

#### Jerry Collins Gets \$100 More side of the street we would stop there just the same." Than He Did On the First affairs of the company, making the passengers get off in the mud?" Trial of His Case.

In the Collins vs. London Street concluded, counsel then addressed the Railway case, heard at the fall as- jury. sizes. Mr. Ivey, the company's Collins Gets \$500. solicitor, began the case for the defense The court adjourned from 6:30 to 7:30. J. J. Kelso, superintendent of the Ontaat 2:30 yesterday afternoon. The next witness after Dr. Hodge was Motorman Perry. who testified that it was usual to slow up the slow up t to slow up the cars when approaching the bridge. On the night in question to slow up the cars when approaching the bridge. On the night in question to slow up the cars when approaching that the jail should be the last place to lingly the send the child, and that kindness and good results, it has been since proved.

But at once a scandalously lying carmoderation were always agents which moderation were always agents which approaching the bridge. he had received a signal to stop when A Serious Charge. the car was drawing near the bridge.
He had accordingly stopped his car at the next customary place, namely, the side of Pollman and the received a signal to stop when the car was drawing near the bridge.

The very serious case of the King vs. Robert Powell was the next for constitution of Pollman and the received for the received by the received b

the nad accordingly stopped his car at the next customary place, namely, the south side of Railway street.

Witness said to Mr. Faulds, counsel for plaintiff that it was just about as easy to stop on the down grade as on the bridge. To the court, witness said the jolting of the car over the switch was almost imperceptible.

Conductor Devine said he usually stopped at the north side of the street, but stopped at the south side of Railway street.

John Loughlin was the next witness. He was a passenger on the same car as plaintiff. He saw plaintiff fall off.

and went and found him lying on the Come. Jerry, get up," he said. "I can't, I'm killed," was the reply.

at the south side of the bridge. "Is it a natural thing for a man to hold on to the railing of a car for 40 feet after stepping off?" asked Mr. Faulds. "He was found at the dismond, you know, about forty feet from where you say he stepped off."

Witness made no reply.

Superintendent Break stated that the company had been directed by the city engineer to stop at the far, instead of the near side of the street, after March. 1903.

The court, however, upheld the view

Another witness was called in the weantime. He was E. Scatcherd, of the prisoner for some time?" asked the King's counsel.

"He has been out of my jurisdiction for the past eighteen years," was the reply. Mrs. Scatcherd, wife of previous witness, was called in the was E. Scatcherd, of the prisoner for some time?" asked the King's counsel.

"He has been out of my jurisdiction for the past eighteen years," was the reply. Mrs. Scatcherd, wife of previous witness, was called in the was E. Scatcherd, of the prisoner for some time?" asked the King's counsel.

"He has been out of my jurisdiction for the past eighteen years," was the reply. Mrs. Scatcherd, wife of previous witness, was called in the was E. Scatcherd, of the prisoner for some time?" asked the King's counsel.

"He has been out of my jurisdiction for the past eighteen years," was the reply. Mrs. Scatcherd, wife of previous witness, was called in the was E. Scatcherd, of the prisoner for some time?" asked the King's counsel.

"He has been out of my jurisdiction for the past eighteen years," was the reply. Mrs. Scatcherd, wife of previous witness, was called in the was E. Scatcherd, of the prisoner for some time?" asked the King's counsel.

The court, however, upheld the view of Mr. Faulds, who objected to this evidence. Counsel showed that, from the statute, the company could make the place of stopping to suit itself.

"Is the proper place to stop a car at the place where the crossing is or the place where the crossing the place where the crossing the place where the place where the place where the crossing the place where the place where the crossing the place where the p the place where the crossing is where it is not?" asked Mr. Faulds.

"If there was no crossing at the far left over until this morning.

#### The Candidate's Error.

The late Gov. Pattison used to tell with keen gusto the following:

Going for Chamberlain's Colic, Cholera and Diarrhoea

Remedy.

Don't put yourself in this man's place, but keep a bottle of this remedy in your home. There is nothing so good for Colic, Cholera Morbus, Dysentery and Diarrhoea. It is equally valuable for Summer Complaint and Cholera Infantum and has saved the lives of more keep in the following:

A certain candidate thought that his chance for election would be increased if he acquired a knowledge of Pennsylvania Dutch so he prevailed on a friend who was familiar with that patois to accompany him and post him how to get off a Dutch sentence at the end of each speech. This plan proved a great success, and the candidate was delighted with the experiment.

In the excitement of one meeting however, he forgot the phrase so patiently daught him early in the day by his mentor, and under cover of taking a glass of water hastily communicated that fact to his friend. cause of Piles, and cures to stay cured

If you want a perfect and permanent cure, ask for Dr. Leonhardt's Hem-Roid, the guaranteed remedy.

Summer Complaint and Cholera Infantum and has saved the lives of more children than any other medicine in use. When reduced with water and sweetmend it is pleasant to take.

When reduced with water and sweetmend it is pleasant to take.

You, or some one of your family, are sure to need this remedy sooner or later and when that time comes you will need it badly; you will need it quickly. Why it badly; you will need it quickly. Why it badly; you will need it quickly. Why it now and be prepared for such an emergency? Price, 35 cents.

\*\*Company, Limited, Niagara Falls, Ont.\*\*

To PREVENT IS BETTER THAN TO REPENT.—A little medicine in the shape of the wonderful pellets which are known as Parmelee's Vegetable Pills administered at the proper time and with the directions adhered to, often prevent a serious attack of sickness and save money which would go to the doctor. In all irregularities of the digestive organs they have moved into their new home on stover street north.

The county Sunday school convention imperfections.
