## **COLONEL ROOSEVELT** STIRRED THEM ALL

## Guildhall Speech Amazed Stead and Angered Bryan and "Yellow" Hearst.

London, June 2. - Grave fears for the results of Theodore Roosevelt's Guil hall speech on Egypt are felt by

the Liberal leaders. With Mr. Roosevelt already the object of the Nationalists' hatred, because of his Cairo speech attacking them, further demonstrations are looked forward to by those familiar with the situation, especially in view of the fact that the speech was given at the oment when Mr. Roosevelt was be-

ing honored in London The comment today on the Guildhall speech is more caustic than that of yesterday.

William Stead, editor of the Eng-Many today expressed gratification that two prominent Americans, William Hearst and Wm. J. Bryan, had

velt utterance. Mr. Hearst's statement, issued in Paris, is given prominence in the London papers. The fact that Mr. Hearst calls Mr. Roosevelt a "tin soldier," and declares that, having "shocked and outraged patriotic Americans, he should return to his own land," is the

expressed condemnation of the Roose-

subject of much comment. The indications are today that, while for the most part the attitude is to let Mr. Roosevelt's speech pass by, there may be a move to make the issues he has raised important in the next politfew months off.
