## LONDON MADE IT THREE IN A ROW FROM ST. THOMAS OF DOUBLE WITH RED SOX

Timely Hitting Again Responsible for London's Win-Baker Started for Saints But Only Lasted a Little Over an Inning-Squeeze Play the Feature.

Rube Deneau's league leaders tackled George Ort's slipping sectionhands for the third successive time at the West London meadow across the river Saturday afternoon, and for the third successive time handed them a beating which was decisive, to say the least. It was the last act in the drama entitled "Getting Even With St. Thomas," and the ending was most pleasing to the largest crowd of London fans that has witnessed a game at Tecumseh Park this season. The official figures must have been close on to 3,000. The score this season. The official figures must have been close on to 3,000. The score the work of Lamond and Hilliard. Scores:

ELEVEN STRAIGHT FOR LONDON. As we mentioned before, it was the last act, and probably the best of the three which were staged in this city the last part of the week. It marked the eleventh straight win for the Deneau aggregation, which is something to be wholly proud of in this league, and which will act as a record for maybe some months to come. The Saints made it slightly interesting by sending three runs over the counter as a curtain-raiser, but the locals were not long in catching up, and after that it was the same old procession, with George Ort's cang lagging along in the rear about seventeen removes from a possible victory.

## Duggan and Chaput Released In Order To Get Under Limit

Observe Salary Limit, and Releases Follow-Club in Berlin Today, and Will Be Away All the

cause of the releases was a telegram from President Fitzgerald, head of the Canadian League, stating that the London club would have to get down under the salary limit. Considering the fact that several other clubs in the league are at present above the limit and that no attempt has been made all season to recognize any limit, President Fitzgerald's message is something of a joke. It is the first time this season he has made any move to get any of the clubs down to the salary limit. Manager Deneau decided that he could get along with Heck, Beebe and Steiger for the balance of the season, and Rube will probably take a turn occasionally in the box him-

## WHEN "BLOOMER" GIRLS WERE MEN IN DISGUISE

[Canadian Press.]

Washington, July 21.—One policeman is in a hospital, two others are nursing bruises and awaiting new uniforms, and part of the Union League baseball park is a wreck today as the result of a riot at a Sunday baseball game, when 4,000 enthusiasts discovered that a team of "bloomer" girls were really men in disguise. The team was taken to an eastbound train under police pro tection. A half hour before the storm broke the manager of the "girls" aggre gation had acquired the gate receipts and had disappeared.

CENTRE FIELDER GAVE IT AWAY.

The team was so successful here four weeks ago that it returned for a second appearance, the opposing team being an amateur organization from Laurel, Md. The trouble started when the "girls" centre fielder, a husky young blonde, threw a ball from deep centre to home plate, catching the run-

A moment later a small boy slipped up behind the supposed divinity that presided at third base, and gave her golden locks a vigorous pull. They came away in the form of a wig, revealing a chunky young man with an elaborate make-up ending just above his eyebrows. The team fled through a storm of bottles and bricks to the shelter of the clubhouse, where the police massed.

The crowd then stormed the ticket windows, demanding their money back venting their ire on the park property. Several persons were hurt in the melec and a number of arrests were made.
