Nov. 2, 1886.—I had been suffering for over
twenty years from a pain in the back and one
side of the head, and indigestion. I could eat
scarcely anything, and everything I ate disagreed with me. I was attended by physicians
who examined me and stated that I had enlargement of the liver, and that it was impossible to cure me. They also stated that I was
suffering from heart disease, inflammation of
the bladder, kidney disease, bronchitis and
catairh, and that it was impossible for me to
live. They attended me for three weeks
without making any improvement in my condition. I commenced taking "Warner's Safe
Cure" and "Warner's Safe Pills," acting
strictly up to directions as to diet, and took
thirty-six bottles, and have had the best of
health over since. My regular weight used to
be 180 pounds. When I commenced "Warner's
Safe Cure" I only weighed 140 pounds. I now
