In the education department examinations 37 pupils were successful in obtaining certificates during 1890; 3 first-class, 18 secondclass, 16 third-class.

Trinity University Notes.

The annual general metting of convocation is becoming year by year a more important event in the history of Trinity is the roll of members and associates grows in length and influence. The proceedings this year commence with full choral eventing in the college chapel with a sermon by Rev. G. C. Mackenzie of Brantford, which the public is cortially invited to attend. A large number of clergy are expected to be present at the procession.

The business meeting for members and associates will be called to order by the procession. The business meeting for members and associates will be called to order by the procession. The business meeting for members and associates will be called to order by the procession.

J. F. PEASE FURNACE CO.:

Gentlemen, -- The No. 14 Economy Warm Air Furnace which you placed in my house has proved very satisfactory. It has heated my entire house as warm as could be desired, and from early last fall until late this spring, only 5 tons of coal were consumed. I am much pleased with the Furnace, and any one requiring heating apparatus will be well satisfied if they adopt your system of heating. We find the chain board regulating attachments very convenient.
