

ENTERPRISE BLAZER PIPELESS FURNACE

ONE TON IN THREE IS WHAT YOU CAN SAVE WITH A PIPELESS FURNACE—and it burns any old kind of fuel—hard or soft coal, wood or coke.

With Pipeless Heating the entire system is in the cellar but all the heat is in the house. Not a degree is wasted or absorbed by cellar pipes, none is thrown off around the furnace, and your cellar is always cool—just right for storing fruits and vegetables.

You can change to Pipeless Heating in a single day—there is nothing at all to the installation. If we start today, we'll be through tomorrow and your heating troubles will be ended. No matter what next winter has in store, you'll be warm and comfortable.

We have not the space to say all we'd like to in this advertisement, but if you'll call in, we'll turn the furnace inside out for you.

THE TORTURE OF INDIGESTION

Thousands Made Miserable By This Trouble

"FRUIT-A-TIVES" Relieves It

What is Indigestion and what causes it? As you know, solid food must be changed into a liquid by the stomach before it can be taken up as nourishment by the blood.

The stomach acts as a churn. It is covered by a strong, muscular coat and lined with a soft, delicate membrane which secretes the Gastric Juice which digests or dissolves solid food.

When food enters the stomach, the muscular coat squeezes and presses the food from end to end, or churns it, with the gastric juice to dissolve or digest it.

But—if the stomach muscles are weak—or if the dissolving fluid is poor or insufficient—then food cannot be digested properly and you have Indigestion.

"FRUIT-A-TIVES" is the most wonderful medicine in the world for strengthening the stomach muscles and providing an abundance of pure, full-strength dissolving fluid to completely digest every meal.

"FRUIT-A-TIVES" does this because it keeps the kidneys active, the bowels regular and the blood pure, which insures pure Gastric Juice.

"FRUIT-A-TIVES" will correct your Indigestion or Dyspepsia and enable you to enjoy every meal. Try it.

50c a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

Until you hear the AMBEROLA

you don't know how good music can be!

The music of the Amberola is clear and pure—a refreshing change from shrill "talking machines" and metallic phonographs. It plays the music you like best, better than you have ever heard it before.

Until you learn how low-priced the Amberola is, you have no idea how inexpensive good music can be. Thomas A. Edison created the Amberola with the two-fold purpose of putting good music in every home—at a price so low that no one need be without it.

Hear the Amberola at our store today. Easy terms of payment make it possible for you to own it without delay. If you wish to give the Amberola a thorough trial in your own home, you can have

"Three Days of Good Music—FREE" without cost or obligations. Today—call, write or phone.
