"In Union is Strength."

Vol. 2.

PUBLIC SCHOOL, TRURO, N. S., June 8th, 1894.

No. 10.

VALEDICTORY.

PUSH has been brought safely through its first two volumes and we have every reason to believe has succeeded in its principal object, viz: the union of all the grades in a common interest.

Most of the grades have understood the spirit of the paper and by selling it for us have given us valuable help. Grade II, Prince Street School and Willow Street School have been especially active in this direction, selling on an average, respectively thirty and twenty copies a week, for which we beg to extend them our hearty thanks.

This will be the last issue of PUSH, but after the summer's holidays it might be possible to make arrangements for the publication of a paper and the continuation of the work which PUSH has begun.

We extend our most hearty thanks to the subscribers and contributors to PUSH and to all who have aided us in our efforts to establish a school paper.

Among the contributors we especially wish to thank Mr. Little, Miss Barnes, Miss Archibald and Miss Upham for their interesting and instructive articles.—THE EDITORS.

My thanks are also due to those teachers who have interested themselves in PUSH and either by gathering news or by urging their pupils to sell the paper, have helped us considerably. These are Miss Hamilton, Miss McDonald and Mr. Porter.
