E. J. DAROCH, formerly of Dennison & Darroch, Minnedosa, is opening a general store at Newdale, Man., on the Northwestern railway.

HUGH S. MCKINNON, general merchant, and J. E. SAUNDERS, dry goods dealer, etc., both at Deloraine, have decided to amalgamate their respective businesses.

THE Hudson's Bay Company's store at Deloraine, Man., has been completed and is now being stocked with goods. Alex. McKay, formerly connected with the company's store at Morden, will have charge of the new post.

THE estate of the Manitoba Co-operative Society, limited, doing business in groceries at Winnipeg, has been disposed of in job lots to city grocers. The liabilities of the concern were not very heavy, eastern houses being mainly interested, through A. T. Moore, who acted as assignee.

A. LONGPRE, dealer in tinware, and also a small stock of stoves and hardware, Winnipeg, disappeared last week, and the bailiff was soon in possession for rent. When this became known some local creditors paid off the bailiff and there was a general scramble for the stock, which was soon gobbled up. The liabilities were not very heavy, and distributed among a number of local dealers. Longpre came from St. Boniface, where he did business in the firm of Longpre & Gasparo.

—The N. W. C. & N. Co.'s Lethbridge coal mines are now putting out 400 tons daily.

The sale of lands for taxes in North Norfolk, Man., will be held on the 4th of October.

The fair of the Emerson Electoral Division Agricultural Society takes place at Dominion City on Oct. 3rd and 4th.

At Portage la Prairie wheat last week was quoted at 53c, oats 25c, butter 15c per lb, eggs 15c per doz., potatoes 25c per bushel.

HUNTER & MOORE, who purchased the general stock of the estate of Cox & Co., Crystal City, Man., intend continuing the business themselves, and the stock has not been bought in for the original proprietors, as is generally supposed. The estate will pay between 55 and 60 cents on the dollar. There is some talk to the effect that the eastern firm which forced the assignment, and which has since obtained judgment, will make an effort to break the settlement, on the ground of informality. The assignee, however, thinks that no flaw can be found in the proceedings.

THE COMMERCIAL subscription list is "coming" and orders are received by every mail. Country business men are in such a hurry to receive the paper that they cannot wait for the slow process of writing, and lest they should miss a number, they are sending in orders by telegraph. Several new subscriptions have actually been received by telegraph within the past week, mostly from grain dealers, who have commenced buying at country points, and cannot get along without THE COMMERCIAL.

It is said that Senator Sanford, of Hamilton, will spend \$200,000 next spring in erecting a magnificent block on his property on the corner of Main street and Portage avenue, Winnipeg.

Mr. Mackenzie and son, of Wingham, Ont., who have been importing horses into Manitoba for the past four or five years, have taken a new departure in the horse line business. Mr. Mackenzie thinks that it will pay him to take back as a return cargo some of our native horses and bronchos, and he has accordingly made a shipment of these animals eastward.—Brandon Times.
